

# Information Systems Technician (IT)

April 2018

# **Career Roadmap**

## **Seaman Recruit to Master Chief Roadmap**

The educational roadmap below will assist Sailors in the Information Systems Technician community through the process of pursuing professional development and advanced education using various military and civilian resources e.g. PQS program; JST Joint Service Transcript; E-Learning; Navy College Network; etc. Successful leadership is the key to military readiness and will always require a high degree of technical skill, professional knowledge, and intellectual development.

## **What is a Career Roadmap for Information Systems Technician?**

Information Systems Technician roadmaps are just what the name implies - a roadmap through the Enlisted Learning and Development Continuum from Seaman Recruit through Master Chief. The principal focus is to standardize a program Navy wide by featuring the existing skills necessary to be successful in the Navy. The ultimate goal of a roadmap is to produce a functional and competent Sailor.

## **What is the Enlisted Learning and Development Continuum?**

Enlisted Learning and Development Continuum is the formal title given to the curriculum and process building on the foundation of Sailorization beginning in our Delayed Entry Program through Recruit Training Command and throughout your entire career. The continuum combines skill training, professional education, well-rounded assignments, and voluntary education. As you progress through your career, early-on skill training diminishes while professional military education gradually increases. Experience is the ever-present constant determining the rate at which a Sailor trades skill training for professional development.

## **Do Sailors have to follow the Roadmap?**

Yes. The Information Systems Technician roadmap includes the four areas encompassed by the Continuum in Professional Military Education to include; Navy Professional Military Education (NPME), Joint Professional Education (JPME), Leadership and Advanced Education.

Some training and education is mandatory (Recruit Training, IT "A" School at the Center For Information Dominance located in Pensacola, Florida, E-Learning, etc.). Some may be directed by your chain of command (Microsoft Excel and PowerPoint courses), and the remainder is voluntary (MNP, E-Learning, college courses, etc.). Sailors are advised to seek out mentors, including your Command Master Chief, Senior Enlisted Advisor, Leading Chief Petty Officer, Leading Petty Officer and Command Career Counselor, and to make use of your Navy College Virtual Education Center (VEC) or OCNUS Education Office vast resources. All are uniquely qualified to help you along the way.

## United States Navy Ethos

We are the United States Navy, our Nation's sea power - ready guardians of peace, victorious in war.

We are professional Sailors and Civilians - a diverse and agile force exemplifying the highest standards of service to our Nation, at home and abroad, at sea and ashore.

Integrity is the foundation of our conduct; respect for others is fundamental to our character; decisive leadership is crucial to our success.

We are a team, disciplined and well-prepared, committed to mission accomplishment. We do not waver in our dedication and accountability to our Shipmates and families.

We are patriots, forged by the Navy's core values of Honor, Courage and Commitment. In times of war and peace, our actions reflect our proud heritage and tradition.

We defend our Nation and prevail in the face of adversity with strength, determination, and dignity.

We are the United States Navy.

## The Sailor's Creed

I am a United States Sailor.

I will support and defend the Constitution of the United States of America and I will obey the orders of those appointed over me.

I represent the fighting spirit of the Navy and those who have gone before me to defend freedom and democracy around the world.

I proudly serve my country's Navy combat team with Honor, Courage, and Commitment.

I am committed to excellence and the fair treatment of all.

## IT CAREER PATH (IW/SW/AW/EXW)

Information Systems Technicians perform core and specialty functions of communications operations, message processing, network administration and security; establish, monitor, and maintain Radio Frequency (RF) communications systems; perform spectrum management within an area of responsibility; handle, store, and retrieve incoming and outgoing messages; ensure the proper security, handling, accounting, reporting, and control of Communications Security (COMSEC) assets; and perform maintenance, training, and management of unit-level information systems across platforms, fleets, and services.

1+/-	IT3 ITSN Accession Training	9 Months			Recruit Training and all schools or training events required to be completed prior to reporting to their first operational command.

Notes:

1. "A" School required.
2. Sea/Shore flow rotation for IT is 36/36. A well-diversified history of assignments CONUS and OCONUS are a critical part in the path to promotion.
3. Sea duty assignments are demanding and provide Sailors with a more conventional career path. Traditional career enhancing sea duty tours should include leadership positions such as LPO, department/division LCPO, and Numbered Fleet Staff/Strike Group Staffs. Serving in challenging command-level collaterals and achieving other qualifications that support command mission will ensure the best possible candidates are promoted. OCONUS sea duty assignments are extremely challenging and should be considered when selecting next duty assignment.
4. Career enhancing shore tours should be positions in which Senior Enlisted Leaders develop subordinates and mentor them in proper career progression with emphasis on continuing technical and leadership development. IT leadership-intensive shore duty billets include NCTAMS, NCTS, CIWT, ATG, Rating Assignments Detailer, White House Communications Agency (WHCA), CPT, and Operational Shore billets. Sailors should make it a point to serve at least one tour at a NCTAMS or NCTS during their career.
5. While there are many challenging sea/shore assignments in the IT community, Expeditionary communications support assignments are highly recommended due to their high OPTEMPO. Expeditionary assignments include Navy Expeditionary Combat Command (NECC), Joint Communications Unit (JCU), Joint Communications Support Element (JCSE), Naval Special Warfare (NSW), and Naval Special Warfare Development Group (DEVGRU).

## IT CAREER PATH (IW/SW/AW/EXW)

Though billets are limited, Sailors should consider serving at least one tour in an Expeditionary communications support billet.

### **Considerations for advancement from E6 to E7**

1. Sea Assignments: Sea duty tours are onboard surface units. Expeditionary assignments are also considered sea duty and candidates are carefully screened prior to assignment.
  - Should show strong documented leadership results serving as LPO, Watch Supervisor, or in other key leadership positions
  - Should show strong documented technical knowledge in assigned billet
  - Demonstrate operational and/or command-wide impact
  - Qualify/Requalify ESWS/EIWS with extra consideration for additional warfare qualifications
  - Command or Asst Command Collateral Duties with documented impact
  - FCPOA leadership or influential involvement
  - CPO 365 PHASE I involvement and leading a committee
2. Shore Assignments: Shore duty billets are primarily at NCTAMS, NIOC, IWTC, ATG and at Operational shore sites.
  - Should show strong documented leadership results serving as LPO, Watch Supervisor, Instructor or in other key leadership positions
  - Should show strong documented technical knowledge in assigned billet
  - Demonstrate operational and/or command-wide impact
  - Qualify/Requalify EIWS and/or MTS/ATS if at IWTC and ATG.
  - Command or Asst Command Collateral Duties with documented impact
  - FCPOA leadership or influential involvement
  - CPO 365 Phase I involvement and leading a committee

### **Considerations for advancement from E7 to E8**

1. Sea Assignments: Sea duty tours are onboard surface units. Expeditionary assignments are also considered sea duty and candidates are carefully screened prior to assignment.
  - Should show strong documented leadership results serving as a LCPO or in other key leadership positions
  - Should show strong documented technical knowledge in assigned billet
  - Demonstrate operational and/or command-wide impact
  - Qualify/Requalify ESWS/EIWS with extra consideration for additional warfare qualifications
  - Command or Asst Command Collateral Duties with documented impact
  - CPOA leadership or influential involvement
  - CPO 365 Phase I/II involvement and leading a committee
2. Shore Assignments: Shore duty billets are primarily at NCTAMS, NIOC, IWTC, ATG and at Operational shore sites.
  - Should show strong documented leadership results serving as a D/LCPO, Rating Detailer, Training Manager, Course Manager, or Lead Instructor or in other key leadership positions
  - Should show strong documented technical knowledge in assigned billet
  - Demonstrate operational and/or command-wide impact
  - Qualify/Requalify EIWS and/or MTS/ATS if at IWTC and ATG.
  - Command or Asst Command Collateral Duties with documented impact
  - CPOA leadership or influential involvement
  - CPO 365 Phase I/II involvement and leading a committee

## IT CAREER PATH (IW/SW/AW/EXW)

### **Considerations for advancement from E8 to E9**

1. Sea Assignments: Sea duty tours are onboard surface units. Expeditionary assignments are also considered sea duty and candidates are carefully screened prior to assignment. Special consideration should be given to those serving in these challenging sea duty billets with documented leadership and Fleet impact.

- Should show strong documented leadership results serving as a DLCPO or in other key leadership positions
- Should show strong documented technical knowledge in assigned billet
- Demonstrate operational and/or command-wide impact
- Qualify/Requalify ESWS/EIWS with extra consideration for additional warfare qualifications
- Command Collateral Duties with documented impact
- CPOA leadership or influential involvement
- CPO 365 Phase I/II involvement and leading a committee

2. Shore Assignments: Shore duty billets are primarily at NCTAMS, NIOC, IWTC, ATG and at Operational shore sites.

- Should show strong documented leadership results serving as a SEL, DLCPO or in other key leadership positions
- Should show strong documented technical knowledge in assigned billet
- Demonstrate operational and/or command-wide impact
- Documented overall impact to IT rating (e.g. Rating Strategy Council, OCCSTDS, MPT)
- Qualify/Requalify EIWS and/or MTS/ATS if at IWTC and ATG.
- Command Collateral Duties with documented impact
- CPOA leadership or influential involvement
- CPO 365 Phase I/II involvement and leading a committee

## Information Systems Technician Seaman Recruit to Seaman

746A - System Administrator; 6 year obligation	Virginia Beach, VA / Groton, CT / Pensacola, FL / San Diego, CA	A-150-1980	18 weeks 90 Instructional Days	
H04A - Journeyman Communication Course; 6 Year Obligation	Pensacola, FL San Diego, CA Norfolk, VA	A-260-0061	96 days	

---

## JOB DESCRIPTION

The IT Technician is comprised of personnel who perform core and specialty functions of Network Administration, Communications Operations and Message Processing.

In the area of **Network Administration**, IT Technicians provide technical assistance to computer system users. They answer questions and/or resolve computer problems for clients. IT Technicians provide assistance concerning the use of computer hardware and software, including printing, installation, word-processing, electronic mail, and operating systems. They conduct help desk functions and repair fiber optics and a variety of cables. Additionally, IT Technicians conduct day-to-day operations such as system backups and restores, and add, modify, or delete user accounts. They install operating systems, applications and peripherals, troubleshoot user problems, debug command language scripts, and assist the Information Systems Security Officer (ISSO) in access control security (i.e., passwords, access and control lists, etc).

They may also perform advanced Network operations, administration, maintenance and training. IT Technicians analyze, design, test, and evaluate network systems, Internet, Intranet, and other data communications systems. They perform network modeling, analysis, and planning. They research and recommend network and data communications hardware and software solutions. IT Technicians may also perform Network Enterprise Architecture | Cyber Security. They defend Navy networks from cyber threats utilizing hardware/software defense in depth methodology to prevent cyber-attacks.

In the area of **Communications Operations**, IT Technicians establish, monitor, and maintain radio frequency (RF) communications systems both ashore and afloat. Specifically, they plan, coordinate establishment, monitor, troubleshoot, and restore classified and unclassified RF communication systems that support exchange of voice, data, video and imagery using terrestrial or satellite VLF, LF, MF, HF, VHF, UHF, SHF and EHF frequency spectrums afloat and ashore. Additionally, specialists in this area may perform spectrum management - coordinate and generate frequency assignments for use within an area of responsibility, assess the impact of new frequency requirements upon the existing radio frequency environment, maintain a history of interference incidents and frequency employment files, initiate action as appropriate to prevent and/or correct harmful interference, and resolve joint and space interference.

In the area of **Message Processing**, IT Technicians provide message handling, storage, and retrieval of incoming and outgoing messages afloat and ashore. They maintain connectivity between shipboard LAN and message delivery systems ashore. They administer user profiles, and maintain directory information trees. IT Technicians operate the Message Systems, NAVMACS, and other automated message processing systems.

---

## RECOMMENDED BILLET ASSIGNMENTS

The Information System Technician of the 21st century operate and maintain the Navy's global satellite telecommunications systems, mainframe computers, local and wide area networks, and micro-computer systems used in the fleet. Administrative support is also provided with the operation of automated equipment that keeps records of personnel training, disbursement, health, assignments and promotions within the Navy. They ensure the all-important communications link between units at sea and stations ashore. Work as a publication clerk, media clerk; help desk technician, and network operator for shore and afloat commands.

**PRIORITY ASSIGNMENT:** Sea Tour Any Platform

**BILLET ASSIGNMENT AFLOAT 4 YEAR SAILOR:** 2790 NEC. IAT Level I with A+ Certification. Communication Center Operator, Automated Data Processor Operator, Electronic Data Processor Operator

**BILLET ASSIGNMENT AFLOAT 6 YEAR SAILOR:** 2791 NEC. IAT Level II with Security + Certification. Administer networked systems with focus in the following functional areas: 1. Configuration Management: Manage changes, additions, and deletions to network system configurations. 2. System Management: Administration of network services, maintaining user accounts, access rights, and directory services. 3. Performance Management: Maintain system reliability statistics, performance checking of system communications pathways, and optimization of system and application performance.

**BILLET ASSIGNMENT AFLOAT 6 YEAR SAILOR:** 2379 NEC. Operate external communications suites in the High Frequency (HF), Very High Frequency (VHF), Ultra High Frequency (UHF), Super High Frequency (SHF), Extremely High Frequency (EHF) Radio Frequency (RF) spectrums, and the Automated Digital Network System (ADNS) for controlling RF assets, in accordance with standard operating procedures and appropriate technical documentation, during all conditions of readiness, with limited supervision.

**SUBSEQUENT ASSIGNMENT:** Shore Tour (NCTAMS, NCTS, TSC)

**BILLET ASSIGNMENT ASHORE:** Communication Center Operator, Automated Data Processor, Fleet Network Operation Center, C2 (Command & Control)

**PERSONAL AND PROFESSIONAL DEVELOPMENT (Completed at reporting 60 day Career Development Board)**

### Career Waypoints-Reenlistment:

The Command Career Counselor is your local advocate to assist you with the Career Waypoints application process.

- E3-E6 Sailors with less than 14 years of service must submit a Career Waypoints application, regardless of reenlistment intentions. Sailors who do not desire to reenlist will submit an "intends to separate" application. Sailors not eligible for reenlistment will submit a "not eligible" application.
- The Career Waypoints system automatically generates most of the applications needed by Sailors. Applications must be submitted no later than 16 months prior to expiration of active obligated service (EAOS) or as extended (SEAOS). Sailors with less than 24 months of contract time remaining at their projected rotation date (PRD) will submit an application 15 months prior to their PRD. In either case, the Career Waypoints system will automatically generate applications for Sailors 18 months prior to either timeframe. Applications required outside of the established C-Way gates can be submitted as Special Circumstance applications. Examples of when these may be needed include OBLISERVE for special duty, decommissioning or homeport shift.
- The C-Way 3-2-1 Process aligns career decisions with the detailing process. Soft End of Active Obligated Service (SEAOS)/End of Active Obligated Service (EAOS) applications are created by C-Way at the 18 month from SEAOS/EAOS mark and must be submitted by the Command Career Counselor at the 16 month mark. This provides time for the Career Counselor to validate the Sailor's information and to ascertain the Sailors career intentions. The first C-Way review gate occurs from 16 to 13 months from SEAOS/EAOS with career choice options of in-rate, conversion, and Selected Reserve. The second review gate occurs from 12 to 9 months from SEAOS/EAOS with career choice options of conversion and Selected Reserve. From 8 months to 4 months to SEAOS/EAOS the Sailor can only choose Selected Reserve affiliation.
- Monthly reenlistment quotas are limited and must be reserved for our best and brightest Sailors who desire to Stay Navy. Sailors must choose one of the following based on their desires and qualifications:
  - Reenlist-in-Rate,
  - Reenlist-in-rate, Willing to Convert
  - Convert only
  - SELRES option
  - Intend to separate
  - Not eligible

In February 2014, C-Way delivered auto-approval capabilities to provide reenlistment decisions on SEAOS/EAOS applications more quickly for eligible ratings. This changed the monthly processing of reenlistment applications as described below.

- If you are in an "open" rating or a "balanced" rating in an undermanned year group or an E-6, you are eligible for reenlistment, and your application is submitted with correct data it will be auto-approved and returned immediately, and you can reenlist.
- If you are in a "competitive" rating or a balanced rating but not an undermanned year group, then your application will be processed through the monthly Rack and Stack process. Applications submitted in one month are processed in Rack and Stack the following month.
- For Nuclear ratings, all applications are reviewed by enlisted community managers on an ongoing basis throughout the processing month.
- If required data is missing (evaluations, Physical Fitness Assessment (PFA) data, security clearance etc.) the application will be denied with a note to your career counselor regarding what needs to be fixed. It is critical the Command Career Counselor reviews these notes to ensure Sailor's are not disadvantaged in their opportunities for retention.
- Upon completion of the monthly process, Career Waypoints results will be available to command users via the Monthly report section of the Career Waypoints system.
- Additional guidance MILPERSMAN 1160-140, NAVADMIN 231/17, and your Career Counselor

**Courses with Recommended Reserve Points:**

Commander Navy Reserve Forces (CNRF) N7 determines the number of reserve points awarded for completion of a course taken on Navy E-Learning. This listing should only be used as a guide and is subject to change by direction of CNRF N7.

Navy E-Learning has no control over how many, if any, reserve points are eventually awarded for the completion of a course. All questions concerning the award of reserve points should be directed to CNRF N7.

**E1/E2/E3 RECOMMENDED RESERVE PME:**

Course Title	Course Location	CIN/CSE ID	Course Length	Date Completed

## NAVY PROFESSIONAL READING PROGRAM (PRP)

The purpose of the Chief of Naval Operations Professional Reading Program (CNO PRP), maintained by CNO PRP program managers at the U.S. Naval War College, is to facilitate the professional and personal development of all Sailors. For additional information on the CNO PRP visit <http://navyreading.dodlive.mil/>

### ESSENTIAL READING

<b>Navy Power (First 5 offerings)</b> Visit <a href="http://www.navy.mil/ah_online/cno-readingprogram/navalpower.html">http://www.navy.mil/ah_online/cno-readingprogram/navalpower.html</a> for complete list.	<b>Completed</b>
Sea Power by Admiral James Stavridis	
Toward a New Maritime Strategy by Peter D. Haynes	
The Rules Of The Game by Andrew Gordon	
Sea Power by Geoffrey Till	
Red Star Over The Pacific by Toshi Yoshihara and James R. Holmes	
<b>Fast Learning (First 5 offerings)</b> Visit <a href="http://www.navy.mil/ah_online/cno-readingprogram/fastlearning.html">http://www.navy.mil/ah_online/cno-readingprogram/fastlearning.html</a> for complete list.	<b>Completed</b>
Democracy by Condoleezza Rice	
A World in Disarray by Richard Haass	
Our Robots, Ourselves by David A. Mindell	
On Writing Well by William Zinsser	
The Innovator's Dilemma by Clayton M. Christensen	
<b>Navy Team (First 5 offerings)</b> Visit <a href="http://www.navy.mil/ah_online/cno-readingprogram/navyteam.html">http://www.navy.mil/ah_online/cno-readingprogram/navyteam.html</a> for complete list.	<b>Completed</b>
The Accidental Admiral by James Stavridis	
Team of Teams by Stanley McChrystal	
Navigating the Seven Seas by Melvin G. Williams, Sr. and Melvin G. Williams, Jr.	
Leadership on the Line by Ronald A. Heifetz and Marty Linsky	
A Vietnam Experience by James Stockdale	
<b>Partnerships (First 5 offerings)</b> Visit <a href="http://www.navy.mil/ah_online/cno-readingprogram/partnernetwork.html">http://www.navy.mil/ah_online/cno-readingprogram/partnernetwork.html</a> for complete list.	<b>Completed</b>
Partnerships for the Americas by James Stavridis	
The Accidental Superpower by Peter Zeihan	
Asia's Cauldron by Robert D. Kaplan	
World Order by Henry Kissinger	
At Ease by Dwight Eisenhower	

Reading, discussing, and understanding the ideas found in the CNO PRP will not only improve our critical thinking skills, but will also help us become better Sailors, citizens, and most importantly, leaders. This list is not intended to limit professional reading or learning in any way, but merely to provide easy access to a few of the many titles that will benefit our service.

The Chief of Naval Operations' tenets and Lines of Effort: Strengthening Naval Power at and from the Sea; Achieving Fast Learning at Every Level; Strengthening Our Navy Team for the Future; and Expanding and Strengthening our Network of Partners. These LOEs have themes common to all Sailors - Integrity, Accountability, Initiative, and Toughness.

The books are organized by the Lines of Effort, but there are several other categories as well. A Design for Maintaining Maritime Superiority is included in addition to a section of books - Fundamentals for the Naval Professional - that contains canonical books about warfighting, diplomacy, and strategy. Many books on both lists are available as e-books through the Navy General Library Program.

The entire list, of over 140 book summaries and additional information is available at <http://navyreading.dodlive.mil/>

## JOB DESCRIPTION

The IT Technician is comprised of personnel who perform core and specialty functions of Network Administration, Communications Operations and Message Processing.

In the area of **Network Administration**, IT Technicians provide technical assistance to computer system users. They answer questions and/or resolve computer problems for clients. IT Technicians provide assistance concerning the use of computer hardware and software, including printing, installation, word-processing, electronic mail, and operating systems. They conduct help desk functions and repair fiber optics and a variety of cables. Additionally, IT Technicians conduct day-to-day operations such as system backups and restores, and add, modify, or delete user accounts. They install operating systems, applications and peripherals, troubleshoot user problems, debug command language scripts, and assist the Information Systems Security Officer (ISSO) in access control security (i.e., passwords, access and control lists, etc).

They may also perform advanced Network operations, administration, maintenance and training. IT Technicians analyze, design, test, and evaluate network systems, Internet, Intranet, and other data communications systems. They perform network modeling, analysis, and planning. They research and recommend network and data communications hardware and software solutions. IT Technicians may also perform Network Enterprise Architecture | Cyber Security. They defend Navy networks from cyber threats utilizing hardware/software defense in depth methodology to prevent cyber-attacks.

In the area of **Communications Operations**, IT Technicians establish, monitor, and maintain radio frequency (RF) communications systems both ashore and afloat. Specifically, they plan, coordinate establishment, monitor, troubleshoot, and restore classified and unclassified RF communication systems that support exchange of voice, data, video and imagery using terrestrial or satellite VLF, LF, MF, HF, VHF, UHF, SHF and EHF frequency spectrums afloat and ashore. Additionally, specialists in this area may perform spectrum management - coordinate and generate frequency assignments for use within an area of responsibility, assess the impact of new frequency requirements upon the existing radio frequency environment, maintain a history of interference incidents and frequency employment files, initiate action as appropriate to prevent and/or correct harmful interference, and resolve joint and space interference.

In the area of **Message Processing**, IT Technicians provide message handling, storage, and retrieval of incoming and outgoing messages afloat and ashore. They maintain connectivity between shipboard LAN and message delivery systems ashore. They administer user profiles, and maintain directory information trees. IT Technicians operate the Message Systems, NAVMACS, and other automated message processing systems.

---

## **RECOMMENDED BILLET ASSIGNMENTS**

The Information System Technician of the 21st century operate and maintain the Navy's global satellite telecommunications systems, mainframe computers, local and wide area networks, and micro-computer systems used in the fleet. Administrative support is also provided with the operation of automated equipment that keeps records of personnel training, disbursement, health, assignments and promotions within the Navy. They ensure the all-important communications link between units at sea and stations ashore. Work as a publication clerk, media clerk, help desk technician, and network operator for shore and afloat commands.

**PRIORITY ASSIGNMENT:** Sea Tour Any Platform, Special Warfare, Navy Expeditionary Warfare

**BILLET ASSIGNMENT AFLOAT 4 YEAR SAILOR:** Communication Center Operator, Automated Information Systems Operator, Electronic Data Processor Operator, Ships Signals Exploitation Space Communications

**BILLET ASSIGNMENT AFLOAT 6 YEAR SAILOR:** Automated Information Systems Operator

**SUBSEQUENT ASSIGNMENT:** Shore Tour (NCTAMS, NCTS, Tactical Support Center , NIOC, Special Warfare), Navy Expeditionary Warfare

**BILLET ASSIGNMENT ASHORE:** Communication Center Operator, Automated Information Systems Operator, Fleet Network Operation Center, C2 (Communication Control)

## RECORD REVIEW CHECKLIST

Review your Official Record to see what documentation, qualifications, etc. may be missing or requiring an update. This is a great opportunity to meet with your Mentor, Leading Petty Officer or Leading Chief Petty Officer to understand the importance of keeping your record up-to-date. Check the following three major sections to verify your Official Record:

- a. **BUPERS Online:** BUPERS Online (<https://www.bol.navy.mil>) is your main tool to ensure your record is up to date and helps you to be proactive in making the most of your promotion opportunity. You should review your:
  1. **Official Military Personnel File (OMPF):** All active duty and reserve personnel having a BOL account, a CAC (with appropriate certificates) and a CAC-enabled computer can now view their OMPF online by selecting the OMPF option on the BOL main menu page. This is the preferred method of obtaining OMPF information to eliminate the unnecessary time-lags caused by waiting days or weeks to receive a requested CD ROM.
  2. **If Deployed:** Click on "*Request Record on CD*" to order your Official Military Personnel File (OMPF). This must be accomplished four to six months before a board convenes, which will allow time for delivery and updating of your record if required.
  3. Check your **Performance Summary Record (PSR)** and **Enlisted Summary Record (ESR)** on <https://www.bol.navy.mil>, click on the "*ODC, OSR, PSR, ESR*" link.
- b. **Electronic Service Record (ESR)** Self-Service ESR: This can be viewed at (<https://nsips.nmci.navy.mil>) or on the Navy Standard Integrated Personnel System (NSIPS) ESR server onboard ship.
- c. **Electronic Training Jacket (ETJ):** Log-on to My Navy Portal (MNP) and review your entire ETJ making sure that each section is correct. If not, clicking on "*Data Problems*" at the bottom of each page which will guide you on how to make corrections or updates.
- d. **US Navy Awards website:** Log onto (<https://awards.navy.mil/>) to review any awards you may qualify for but were unaware of.

## QUALIFICATIONS AND CERTIFICATIONS

Career Management System/Interactive Detailing (CMS/ID): \_\_\_\_\_

Medical/Dental Screening: \_\_\_\_\_ Command Recommendation (evaluation): \_\_\_\_\_ Bonus: \_\_\_\_\_ Ceremony: \_\_\_\_\_

---

### Career Waypoints-Reenlistment:

The Command Career Counselor is your local advocate to assist you with the Career Waypoints application process.

- E3-E6 Sailors with less than 14 years of service must submit a Career Waypoints application, regardless of reenlistment intentions. Sailors who do not desire to reenlist will submit an "intends to separate" application. Sailors not eligible for reenlistment will submit a "not eligible" application.
- The Career Waypoints system automatically generates most of the applications needed by Sailors. Applications must be submitted no later than 16 months prior to expiration of active obligated service (EAOS) or as extended (SEAOS). Sailors with less than 24 months of contract time remaining at their projected rotation date (PRD) will submit an application 15 months prior to their PRD. In either case, the Career Waypoints system will automatically generate applications for Sailors 18 months prior to either timeframe. Applications required outside of the established C-Way gates can be submitted as Special Circumstance applications. Examples of when these may be needed include OBLISERVE for special duty, decommissioning or homeport shift.
- The C-Way 3-2-1 Process aligns career decisions with the detailing process. Soft End of Active Obligated Service (SEAOS)/End of Active Obligated Service (EAOS) applications are created by C-Way at the 18 month from SEAOS/EAOS mark and must be submitted by the Command Career Counselor at the 16 month mark. This provides time for the Career Counselor to validate the Sailor's information and to ascertain the Sailors career intentions. The first C-Way review gate occurs from 16 to 13 months from SEAOS/EAOS with career choice options of in-rate, conversion, and Selected Reserve. The second review gate occurs from 12 to 9 months from SEAOS/EAOS with career choice options of conversion and Selected Reserve. From 8 months to 4 months to SEAOS/EAOS the Sailor can only choose Selected Reserve affiliation.
- Monthly reenlistment quotas are limited and must be reserved for our best and brightest Sailors who desire to Stay Navy. Sailors must choose one of the following based on their desires and qualifications:
  - Reenlist-in-Rate,
  - Reenlist-in-rate, Willing to Convert
  - Convert only
  - SELRES option
  - Intend to separate
  - Not eligible

In February 2014, C-Way delivered auto-approval capabilities to provide reenlistment decisions on SEAOS/EAOS applications more quickly for eligible ratings. This changed the monthly processing of reenlistment applications as described below.

- If you are in an, "open" rating or a "balanced" rating in an undermanned year group or an E-6, you are eligible for reenlistment, and your application is submitted with correct data it will be auto-approved and returned immediately, and you can reenlist.
- If you are in a "competitive" rating or a balanced rating but not an undermanned year group, then your application will be processed through the monthly Rack and Stack process. Applications submitted in one month are processed in Rack and Stack the following month.
- For Nuclear ratings, all applications are reviewed by enlisted community managers on an ongoing basis throughout the processing month.
- If required data is missing (evaluations, Physical Fitness Assessment (PFA) data, security clearance etc.) the application will be denied with a note to your career counselor regarding what needs to be fixed. It is critical the Command Career Counselor reviews these notes to ensure Sailor's are not disadvantaged in their opportunities for retention.
- Upon completion of the monthly process, Career Waypoints results will be available to command users via the Monthly report section of the Career Waypoints system.
- Additional guidance MILPERSMAN 1160-140, NAVADMIN 231/17, and your Career Counselor

**Courses with Recommended Reserve Points:**

Commander Navy Reserve Forces (CNRF) N7 determines the number of reserve points awarded for completion of a course taken on Navy E-Learning. This listing should only be used as a guide and is subject to change by direction of CNRF N7.

Navy E-Learning has no control over how many, if any, reserve points are eventually awarded for the completion of a course. All questions concerning the award of reserve points should be directed to CNRF N7.

**E4 RECOMMENDED RESERVE PME:**

Course Title	Course Location	CIN/CSE ID	Course Length	Date Completed
NROWS Orders Administration Course	E-Learning/MNP	R-500-0140/02PG /DoN	8 hours

## NAVY PROFESSIONAL READING PROGRAM (PRP)

The purpose of the Chief of Naval Operations Professional Reading Program (CNO PRP), maintained by CNO PRP program managers at the U.S. Naval War College, is to facilitate the professional and personal development of all Sailors. For additional information on the CNO PRP visit <http://navyreading.dodlive.mil/>

### ESSENTIAL READING

<b>Navy Power (First 5 offerings)</b> Visit <a href="http://www.navy.mil/ah_online/cno-readingprogram/navalpower.html">http://www.navy.mil/ah_online/cno-readingprogram/navalpower.html</a> for complete list.	<b>Completed</b>
Sea Power by Admiral James Stavridis	
Toward a New Maritime Strategy by Peter D. Haynes	
The Rules Of The Game by Andrew Gordon	
Sea Power by Geoffrey Till	
Red Star Over The Pacific by Toshi Yoshihara and James R. Holmes	
<b>Fast Learning (First 5 offerings)</b> Visit <a href="http://www.navy.mil/ah_online/cno-readingprogram/fastlearning.html">http://www.navy.mil/ah_online/cno-readingprogram/fastlearning.html</a> for complete list.	<b>Completed</b>
Democracy by Condoleezza Rice	
A World in Disarray by Richard Haass	
Our Robots, Ourselves by David A. Mindell	
On Writing Well by William Zinsser	
The Innovator's Dilemma by Clayton M. Christensen	
<b>Navy Team (First 5 offerings)</b> Visit <a href="http://www.navy.mil/ah_online/cno-readingprogram/navyteam.html">http://www.navy.mil/ah_online/cno-readingprogram/navyteam.html</a> for complete list.	<b>Completed</b>
The Accidental Admiral by James Stavridis	
Team of Teams by Stanley McChrystal	
Navigating the Seven Seas by Melvin G. Williams, Sr. and Melvin G. Williams, Jr.	
Leadership on the Line by Ronald A. Heifetz and Marty Linsky	
A Vietnam Experience by James Stockdale	
<b>Partnerships (First 5 offerings)</b> Visit <a href="http://www.navy.mil/ah_online/cno-readingprogram/partnernetwork.html">http://www.navy.mil/ah_online/cno-readingprogram/partnernetwork.html</a> for complete list.	<b>Completed</b>
Partnerships for the Americas by James Stavridis	
The Accidental Superpower by Peter Zeihan	
Asia's Cauldron by Robert D. Kaplan	
World Order by Henry Kissinger	
At Ease by Dwight Eisenhower	

Reading, discussing, and understanding the ideas found in the CNO PRP will not only improve our critical thinking skills, but will also help us become better Sailors, citizens, and most importantly, leaders. This list is not intended to limit professional reading or learning in any way, but merely to provide easy access to a few of the many titles that will benefit our service.

The Chief of Naval Operations' tenets and Lines of Effort: Strengthening Naval Power at and from the Sea; Achieving Fast Learning at Every Level; Strengthening Our Navy Team for the Future; and Expanding and Strengthening our Network of Partners. These LOEs have themes common to all Sailors - Integrity, Accountability, Initiative, and Toughness.

The books are organized by the Lines of Effort, but there are several other categories as well. A Design for Maintaining Maritime Superiority is included in addition to a section of books - Fundamentals for the Naval Professional - that contains canonical books about warfighting, diplomacy, and strategy. Many books on both lists are available as e-books through the Navy General Library Program.

The entire list, of over 140 book summaries and additional information is available at <http://navyreading.dodlive.mil/>

Commercial Broadband Satellite Program (CBSP) Unit Level/ Force Level or Small Ship variant operator.	Norfolk, VA / San Diego, CA	A-260-0163 / A-260-0165	12 days	
H08A - Advanced Network Analyst	Various	A-531-0045	11 weeks 54 Instructional Days	

## JOB DESCRIPTION

The IT Technician is comprised of personnel who perform core and specialty functions of Network Administration, Communications Operations and Message Processing.

In the area of **Network Administration**, IT Technicians provide technical assistance to computer system users. They answer questions and/or resolve computer problems for clients. IT Technicians provide assistance concerning the use of computer hardware and software, including printing, installation, word-processing, electronic mail, and operating systems. They conduct help desk functions and repair fiber optics and a variety of cables. Additionally, IT Technicians conduct day-to-day operations such as system backups and restores, and add, modify, or delete user accounts. They install operating systems, applications and peripherals, troubleshoot user problems, debug command language scripts, and assist the Information Systems Security Officer (ISSO) in access control security (i.e., passwords, access and control lists, etc).

They may also perform advanced Network operations, administration, maintenance and training. IT Technicians analyze, design, test, and evaluate network systems, Internet, Intranet, and other data communications systems. They perform network modeling, analysis, and planning. They research and recommend network and data communications hardware and software solutions. IT Technicians may also perform Network Enterprise Architecture | Cyber Security. They defend Navy networks from cyber threats utilizing hardware/software defense in depth methodology to prevent cyber-attacks.

In the area of **Communications Operations**, IT Technicians establish, monitor, and maintain radio frequency (RF) communications systems both ashore and afloat. Specifically, they plan, coordinate establishment, monitor, troubleshoot, and restore classified and unclassified RF communication systems that support exchange of voice, data, video and imagery using terrestrial or satellite VLF, LF, MF, HF, VHF, UHF, SHF and EHF frequency spectrums afloat and ashore. Additionally, specialists in this area may perform spectrum management - coordinate and generate frequency assignments for use within an area of responsibility, assess the impact of new frequency requirements upon the existing radio frequency environment, maintain a history of interference incidents and frequency employment files, initiate action as appropriate to prevent and/or correct harmful interference, and resolve joint and space interference.

In the area of **Message Processing**, IT Technicians provide message handling, storage, and retrieval of incoming and outgoing messages afloat and ashore. They maintain connectivity between shipboard LAN and message delivery systems ashore. They administer user profiles, and maintain directory information trees. IT Technicians operate the Message Systems, NAVMACS, and other automated message processing systems.

---

## **RECOMMENDED BILLET ASSIGNMENTS**

The Information System Technician of the 21st century operate and maintain the Navy's global satellite telecommunications systems, mainframe computers, local and wide area networks, and micro-computer systems used in the fleet. Administrative support is also provided with the operation of automated equipment that keeps records of personnel training, disbursement, health, assignments and promotions within the Navy. They ensure the all-important communications link between units at sea and stations ashore. Help desk technician, Media clerk and network operator for shore and afloat commands.

**PRIORITY ASSIGNMENT:** Overseas Shore (Communication Center, Staff Duty, Joint Communications, Special Warfare), Navy Expeditionary Warfare

**BILLET ASSIGNMENT ASHORE:** Work Center Supervisor in a Communication Center, Automated Information System Operator, Fleet Network Operation Center Supervisor

**SUBSEQUENT ASSIGNMENT:** In CONUS Shore Tour (NCTAMS, NCTS, NMCI, Tactical Support Center, NIOC, Afloat Training group, Special Warfare, Center for Information Dominance)

**BILLET ASSIGNMENT ASHORE:** Work Center Supervisor in a Communication Center, Automated Information System Operator, Fleet Network Operation Center, Instructor duty

**ALTERNATE ASSIGNMENT:** Sea (any platform), Afloat Staff, Special Warfare, Navy Expeditionary Warfare

**BILLET ASSIGNMENT SEA:** Work Center Supervisor in a Communication Center Operator, or Automated Information System, SPECWAR Communication Support

## RECORD REVIEW CHECKLIST

Review your Official Record to see what documentation, qualifications, etc. may be missing or requiring an update. This is a great opportunity to meet with your Mentor, Leading Petty Officer or Leading Chief Petty Officer to understand the importance of keeping your record up-to-date. Check the following three major sections to verify your Official Record:

- a. **BUPERS Online:** BUPERS Online (<https://www.bol.navy.mil>) is your main tool to ensure your record is up to date and helps you to be proactive in making the most of your promotion opportunity. You should review your:
  1. **Official Military Personnel File (OMPF):** All active duty and reserve personnel having a BOL account, a CAC (with appropriate certificates) and a CAC-enabled computer can now view their OMPF online by selecting the OMPF option on the BOL main menu page. This is the preferred method of obtaining OMPF information to eliminate the unnecessary time-lags caused by waiting days or weeks to receive a requested CD ROM.
  2. **If Deployed:** Click on "*Request Record on CD*" to order your Official Military Personnel File (OMPF). This must be accomplished four to six months before a board convenes, which will allow time for delivery and updating of your record if required.
  3. Check your **Performance Summary Record (PSR)** and **Enlisted Summary Record (ESR)** on <https://www.bol.navy.mil>, click on the "*ODC, OSR, PSR, ESR*" link.
- b. **Electronic Service Record (ESR)** Self-Service ESR: This can be viewed at (<https://nsips.nmci.navy.mil>) or on the Navy Standard Integrated Personnel System (NSIPS) ESR server onboard ship.
- c. **Electronic Training Jacket (ETJ):** Log-on to My Navy Portal (MNP) and review your entire ETJ making sure that each section is correct. If not, clicking on "*Data Problems*" at the bottom of each page which will guide you on how to make corrections or updates.
- d. **US Navy Awards website:** Log onto (<https://awards.navy.mil/>) to review any awards you may qualify for but were unaware of.

## QUALIFICATIONS AND CERTIFICATIONS

Sea/Shore General Qualifications Watch Standing Qualifications	Report Date	Completion Date (If qualification is not required place N/A in this Block)

---

### Career Waypoints-Reenlistment:

The Command Career Counselor is your local advocate to assist you with the Career Waypoints application process.

- E3-E6 Sailors with less than 14 years of service must submit a Career Waypoints application, regardless of reenlistment intentions. Sailors who do not desire to reenlist will submit an "intends to separate" application. Sailors not eligible for reenlistment will submit a "not eligible" application.
- The Career Waypoints system automatically generates most of the applications needed by Sailors. Applications must be submitted no later than 16 months prior to expiration of active obligated service (EAOS) or as extended (SEAOS). Sailors with less than 24 months of contract time remaining at their projected rotation date (PRD) will submit an application 15 months prior to their PRD. In either case, the Career Waypoints system will automatically generate applications for Sailors 18 months prior to either timeframe. Applications required outside of the established C-Way gates can be submitted as Special Circumstance applications. Examples of when these may be needed include OBLISERVE for special duty, decommissioning or homeport shift.
- The C-Way 3-2-1 Process aligns career decisions with the detailing process. Soft End of Active Obligated Service (SEAOS)/End of Active Obligated Service (EAOS) applications are created by C-Way at the 18 month from SEAOS/EAOS mark and must be submitted by the Command Career Counselor at the 16 month mark. This provides time for the Career Counselor to validate the Sailor's information and to ascertain the Sailors career intentions. The first C-Way review gate occurs from 16 to 13 months from SEAOS/EAOS with career choice options of in-rate, conversion, and Selected Reserve. The second review gate occurs from 12 to 9 months from SEAOS/EAOS with career choice options of conversion and Selected Reserve. From 8 months to 4 months to SEAOS/EAOS the Sailor can only choose Selected Reserve affiliation.
- Monthly reenlistment quotas are limited and must be reserved for our best and brightest Sailors who desire to Stay Navy. Sailors must choose one of the following based on their desires and qualifications:
  - Reenlist-in-Rate,
  - Reenlist-in-rate, Willing to Convert
  - Convert only
  - SELRES option
  - Intend to separate
  - Not eligible

In February 2014, C-Way delivered auto-approval capabilities to provide reenlistment decisions on SEAOS/EAOS applications more quickly for eligible ratings. This changed the monthly processing of reenlistment applications as described below.

- If you are in an, "open" rating or a "balanced" rating in an undermanned year group or an E-6, you are eligible for reenlistment, and your application is submitted with correct data it will be auto-approved and returned immediately, and you can reenlist.
- If you are in a "competitive" rating or a balanced rating but not an undermanned year group, then your application will be processed through the monthly Rack and Stack process. Applications submitted in one month are processed in Rack and Stack the following month.
- For Nuclear ratings, all applications are reviewed by enlisted community managers on an ongoing basis throughout the processing month.
- If required data is missing (evaluations, Physical Fitness Assessment (PFA) data, security clearance etc.) the application will be denied with a note to your career counselor regarding what needs to be fixed. It is critical the Command Career Counselor reviews these notes to ensure Sailor's are not disadvantaged in their opportunities for retention.
- Upon completion of the monthly process, Career Waypoints results will be available to command users via the Monthly report section of the Career Waypoints system.
- Additional guidance MILPERSMAN 1160-140, NAVADMIN 231/17, and your Career Counselor

**Courses with Recommended Reserve Points:**

Commander Navy Reserve Forces (CNRF) N7 determines the number of reserve points awarded for completion of a course taken on Navy E-Learning. This listing should only be used as a guide and is subject to change by direction of CNRF N7.

Navy E-Learning has no control over how many, if any, reserve points are eventually awarded for the completion of a course. All questions concerning the award of reserve points should be directed to CNRF N7.

**E5 RECOMMENDED RESERVE PME:**

Course Title	Course Location	CIN/CSE ID	Course Length	Date Completed
NROWS Orders Administration Course	E-Learning/MNP	R-500-0140/02PG /DoN	8 hours	
Naval Reserve Center Commanding Officer Officer In Charge	E-Learning/MNP	CNRFC-COOIC-1.0 /DoN	8 hours	
Guidance for Mobilization	E-Learning/MNP	CNRFC-GMB-1.1 /DoN	4 hours

## NAVY PROFESSIONAL READING PROGRAM (PRP)

The purpose of the Chief of Naval Operations Professional Reading Program (CNO PRP), maintained by CNO PRP program managers at the U.S. Naval War College, is to facilitate the professional and personal development of all Sailors. For additional information on the CNO PRP visit <http://navyreading.dodlive.mil/>

### ESSENTIAL READING

<b>Navy Power (First 5 offerings)</b> Visit <a href="http://www.navy.mil/ah_online/cno-readingprogram/naavalpower.html">http://www.navy.mil/ah_online/cno-readingprogram/naavalpower.html</a> for complete list.	<b>Completed</b>
Sea Power by Admiral James Stavridis	
Toward a New Maritime Strategy by Peter D. Haynes	
The Rules Of The Game by Andrew Gordon	
Sea Power by Geoffrey Till	
Red Star Over The Pacific by Toshi Yoshihara and James R. Holmes	
<b>Fast Learning (First 5 offerings)</b> Visit <a href="http://www.navy.mil/ah_online/cno-readingprogram/fastlearning.html">http://www.navy.mil/ah_online/cno-readingprogram/fastlearning.html</a> for complete list.	<b>Completed</b>
Democracy by Condoleezza Rice	
A World in Disarray by Richard Haass	
Our Robots, Ourselves by David A. Mindell	
On Writing Well by William Zinsser	
The Innovator's Dilemma by Clayton M. Christensen	
<b>Navy Team (First 5 offerings)</b> Visit <a href="http://www.navy.mil/ah_online/cno-readingprogram/navyteam.html">http://www.navy.mil/ah_online/cno-readingprogram/navyteam.html</a> for complete list.	<b>Completed</b>
The Accidental Admiral by James Stavridis	
Team of Teams by Stanley McChrystal	
Navigating the Seven Seas by Melvin G. Williams, Sr. and Melvin G. Williams, Jr.	
Leadership on the Line by Ronald A. Heifetz and Marty Linsky	
A Vietnam Experience by James Stockdale	
<b>Partnerships (First 5 offerings)</b> Visit <a href="http://www.navy.mil/ah_online/cno-readingprogram/partnernetwork.html">http://www.navy.mil/ah_online/cno-readingprogram/partnernetwork.html</a> for complete list.	<b>Completed</b>
Partnerships for the Americas by James Stavridis	
The Accidental Superpower by Peter Zeihan	
Asia's Cauldron by Robert D. Kaplan	
World Order by Henry Kissinger	
At Ease by Dwight Eisenhower	

Reading, discussing, and understanding the ideas found in the CNO PRP will not only improve our critical thinking skills, but will also help us become better Sailors, citizens, and most importantly, leaders. This list is not intended to limit professional reading or learning in any way, but merely to provide easy access to a few of the many titles that will benefit our service.

The Chief of Naval Operations' tenets and Lines of Effort: Strengthening Naval Power at and from the Sea; Achieving Fast Learning at Every Level; Strengthening Our Navy Team for the Future; and Expanding and Strengthening our Network of Partners. These LOEs have themes common to all Sailors - Integrity, Accountability, Initiative, and Toughness.

The books are organized by the Lines of Effort, but there are several other categories as well. A Design for Maintaining Maritime Superiority is included in addition to a section of books - Fundamentals for the Naval Professional - that contains canonical books about warfighting, diplomacy, and strategy. Many books on both lists are available as e-books through the Navy General Library Program.

The entire list, of over 140 book summaries and additional information is available at <http://navyreading.dodlive.mil/>

## JOB DESCRIPTION

The IT Technician is comprised of personnel who perform core and specialty functions of Network Administration, Communications Operations and Message Processing.

In the area of **Network Administration**, IT Technicians provide technical assistance to computer system users. They answer questions and/or resolve computer problems for clients. IT Technicians provide assistance concerning the use of computer hardware and software, including printing, installation, word-processing, electronic mail, and operating systems. They conduct help desk functions and repair fiber optics and a variety of cables. Additionally, IT Technicians conduct day-to-day operations such as system backups and restores, and add, modify, or delete user accounts. They install operating systems, applications and peripherals, troubleshoot user problems, debug command language scripts, and assist the Information Systems Security Officer (ISSO) in access control security (i.e., passwords, access and control lists, etc).

They may also perform advanced Network operations, administration, maintenance and training. IT Technicians analyze, design, test, and evaluate network systems, Internet, Intranet, and other data communications systems. They perform network modeling, analysis, and planning. They research and recommend network and data communications hardware and software solutions. IT Technicians may also perform Network Enterprise Architecture | Cyber Security. They defend Navy networks from cyber threats utilizing hardware/software defense in depth methodology to prevent cyber-attacks.

In the area of **Communications Operations**, IT Technicians establish, monitor, and maintain radio frequency (RF) communications systems both ashore and afloat. Specifically, they plan, coordinate establishment, monitor, troubleshoot, and restore classified and unclassified RF communication systems that support exchange of voice, data, video and imagery using terrestrial or satellite VLF, LF, MF, HF, VHF, UHF, SHF and EHF frequency spectrums afloat and ashore. Additionally, specialists in this area may perform spectrum management - coordinate and generate frequency assignments for use within an area of responsibility, assess the impact of new frequency requirements upon the existing radio frequency environment, maintain a history of interference incidents and frequency employment files, initiate action as appropriate to prevent and/or correct harmful interference, and resolve joint and space interference.

In the area of **Message Processing**, IT Technicians provide message handling, storage, and retrieval of incoming and outgoing messages afloat and ashore. They maintain connectivity between shipboard LAN and message delivery systems ashore. They administer user profiles, and maintain directory information trees. IT Technicians operate the Message Systems, NAVMACS, and other automated message processing systems.

---

## RECOMMENDED BILLET ASSIGNMENTS

The Information System Technician of the 21st century operate and maintain the Navy's global satellite telecommunications systems, mainframe computers, local and wide area networks, and micro-computer systems used in the fleet. Administrative support is also provided with the operation of automated equipment that keeps records of personnel training, disbursement, health, assignments and promotions within the Navy. They ensure the all-important communications link between units at sea and stations ashore. Help desk supervisor and Information Watch supervisor for shore and afloat commands. **PRIORITY ASSIGNMENT:** Sea (diverse platform) Afloat Staff, Special Warfare, **BILLET ASSIGNMENT SEA:** Communication Center LPO, Automated Information System LPO, IAM, EKMS Manager, Information Assurance LPO **SUBSEQUENT ASSIGNMENT:** In CONUS Shore Tour (NCTAMS, NCTS, NMCI, Tactical Support Center, NIOC, Afloat Training group, Special Warfare, Center for Information Dominance, White House Communication), Navy Expeditionary Warfare **BILLET ASSIGNMENT ASHORE:** Communication Center LPO, Automated Information System LPO, Fleet Network Operation Center LPO, Instructor, EKMS Manager, Information Assurance LPO **ALTERNATE ASSIGNMENT:** Overseas Shore (NCTS, NIOC, STAFF, JOINT, Special Warfare) **BILLET ASSIGNMENT ASHORE:** Communication Center LPO, Automated Information System LPO, Fleet Network Operation Center LPO, Instructor duty, EKMS Manager, Information Assurance LPO Other Opportunities: Joint Assignments Instructor GSA Support Assignments

## SELECTION BOARD CHECKLIST FOR E6 PROMOTION TO CPO

Step 1 - Review your Official Record to see what documentation, qualifications, etc. may be missing or requiring an update. This should be accomplished every six months after promotion to Second Class. However, it is imperative that this is accomplished six months prior to a selection board. Check the following three major sections to verify your Official Record:

- a. **BUPERS Online:** BUPERS Online (<https://www.bol.navy.mil>) is your main tool to ensure your record is up to date and helps you to be proactive in making the most of your promotion opportunity. You should review your:
  1. **Official Military Personnel File (OMPF):** All active duty and reserve personnel having a BOL account, a CAC (with appropriate certificates) and a CAC-enabled computer can now view their OMPF online by selecting the OMPF option on the BOL main menu page. This is the preferred method of obtaining OMPF information to eliminate the unnecessary time-lags caused by waiting days or weeks to receive a requested CD ROM.
  2. **If Deployed:** Click on "*Request Record on CD*" to order your Official Military Personnel File (OMPF). This must be accomplished four to six months before a board convenes, which will allow time for delivery and updating of your record if required.
  3. Check your **Performance Summary Record (PSR)** and **Enlisted Summary Record (ESR)** on <https://www.bol.navy.mil>, click on the "*ODC, OSR, PSR, ESR*" link.
- b. **Electronic Service Record (ESR) Self-Service ESR:** This can be viewed at (<https://nsips.nmci.navy.mil>) or on the Navy Standard Integrated Personnel System (NSIPS) ESR server onboard ship.
- c. **Electronic Training Jacket (ETJ):** Log-on to My Navy Portal (MNP) and review your entire ETJ making sure that each section is correct. If not, clicking on "*Data Problems*" at the bottom of each page which will guide you on how to make corrections or updates.
- d. **US Navy Awards website:** Log onto (<https://awards.navy.mil/>) to review any awards you may qualify for but were unaware of.

Step 2 - Submit appropriate missing documents to the selection board.

- a. Selection board packages provide candidates the opportunity to submit any documents missing from the sections of their records which are viewed by the selection boards. MILPERSMAN 1070-080 specifies which documents from the enlisted permanent personnel record are provided to the selection board for review. Any documents the member has verified as missing from those sections of their permanent personnel record may be submitted as a selection board package.
- b. For submissions directly to the board and for those circumstances where the eligible candidate cannot get their official record updated and confirmed prior to the selection board convening date:
  1. All correspondence should be on plain white paper for readability; paper clipped (no staples, binders, folders, or tabs) and submitted under cover letter to the president of the board. Candidates must verify the correct subject line and board number (see below) is on their cover letters to ensure their packages appear before the proper board.
  2. Correspondence must include your Full name and SSN, must be affixed and legible on all documents submitted, and must be postmarked not later than that date listed in the associated NAVADMIN and addressed to:

NAVY PERSONNEL COMMAND CUSTOMER SERVICE CENTER  
PRESIDENT  
FY-XX ACTIVE/RESERVE E7 ENLISTED SELECTION BOARD #XXX  
5640 TICONDEROGA LOOP BLDG 768 RM E302  
MILLINGTON TN 38055  
(Active = 360 / SELRES = 335 / FTS = 336)

(Use of special handling mail (certified or registered) is not advised due to significant delays in handling.)

- c. Ensure official record reflects any individual augmentation mission. (awards, evals, NEC, etc).
- d. Check <http://www.npc.navy.mil/Boards/ActiveDutyEnlisted/GeneralInformation.htm> to verify that the selection board has received your correspondence (if sent).

**NOTE: It is highly recommended that if corrections or updates are made, review your OMPF, or if Deployed, re-order your CD-Rom to confirm changes. (NOTE: Please allow 60 days for changes to take effect)**

Step 3 - After reviewing your service record - such as evaluations, awards, qualifications, etc. - start reviewing what you can do to improve yourself, such as:

- a. Request a **Career Development Board (CDB)** through your chain of command.
- b. Take a good, hard look at the type of **Collateral Duties** you are assigned. Review your command collateral duties instruction and talk with your COC and / or appear before the CDB. Take the tough command duties that provide the most involvement in the command as a whole and that have direct sailor support.
- c. Review your current level of education to see how far along you are in earning a **college degree** and pursue **non-resident Navy courses** to expand your level of knowledge. Complete the **Navy e-Learning courses** on **MNP** that are recommended in this document.
- d. Check out **OTHER Learning Opportunities** to add to your service record, such as the CANTRAC Volume I (Training Facilities) and CANTRAC Volume II (Course Descriptions) at <https://main.prod.cetars.training.navy.mil/cetars/main.html>.

Step 4 - Review qualifications that your rating values or requires for advancement and create a plan to earn these important pieces in the professional growth and advancement puzzle. Read the applicable NAVADMIN for additional dates and information, and review previous selection board precepts.

Step 5 - Prepare for the next CPO Advancement Exam cycle in January for Active Duty & February for Reserves as soon as the Bibliography References are posted six months prior in July. Use the Navy Advancement Center info and website listed above in the advancement section.

Step 6 - CPO365 Phase 1 & 2: See your Chief to obtain the current CPO365 Development Guide (CPODG)

**Phase 1:** Begins September 17 and concludes when the NAVADMIN announcing CPO selection is released. CPO 365 training is not intended to distract or take away from yours or our FCPOs primary duties, but will serve to enhance their ability to lead. It is used to build the foundation in the year round training cycle. Phase 1 sparks the teamwork and initial training to engage the FCPOs on their road to becoming Chief Petty Officers. It is understood that not all FCPOs will promote to CPO. As much as CPO 365 prepares a person to enter the mess, just as importantly - it also helps our FCPOs to be better workcenter supervisors and Leading Petty Officers. For that reason all FCPOs will participate throughout Phase 1&2, regardless of whether they are board-eligible or have participated in previous years.

**Phase 2:** Begins when the NAVADMIN announcing CPO selection is released and is designed as the final training period to prepare Selectees for entry into the Chiefs' Mess. This phase culminates with the Final Test, followed by a pinning ceremony on September 16, or a suitable date.

As determined to be appropriate by the CPO mess, all FCPOs will continue to participate in some form of CPO 365 training throughout Phase 2 - when and where practical. It is agreed that there will be several instances where CPO Selectees and non Selects will conduct separate sessions.

## QUALIFICATIONS AND CERTIFICATIONS

Sea/Shore General Qualifications Watch Standing Qualifications	Report Date	Completion Date (If qualification is not required place N/A in this Block)

Medical/Dental Screening: \_\_\_\_\_ Command Recommendation (evaluation): \_\_\_\_\_ Bonus: \_\_\_\_\_ Ceremony: \_\_\_\_\_

---

### Career Waypoints-Reenlistment:

The Command Career Counselor is your local advocate to assist you with the Career Waypoints application process.

- E3-E6 Sailors with less than 14 years of service must submit a Career Waypoints application, regardless of reenlistment intentions. Sailors who do not desire to reenlist will submit an "intends to separate" application. Sailors not eligible for reenlistment will submit a "not eligible" application.
- The Career Waypoints system automatically generates most of the applications needed by Sailors. Applications must be submitted no later than 16 months prior to expiration of active obligated service (EAOS) or as extended (SEAOS). Sailors with less than 24 months of contract time remaining at their projected rotation date (PRD) will submit an application 15 months prior to their PRD. In either case, the Career Waypoints system will automatically generate applications for Sailors 18 months prior to either timeframe. Applications required outside of the established C-Way gates can be submitted as Special Circumstance applications. Examples of when these may be needed include OBLISERVE for special duty, decommissioning or homeport shift.
- The C-Way 3-2-1 Process aligns career decisions with the detailing process. Soft End of Active Obligated Service (SEAOS)/End of Active Obligated Service (EAOS) applications are created by C-Way at the 18 month from SEAOS/EAOS mark and must be submitted by the Command Career Counselor at the 16 month mark. This provides time for the Career Counselor to validate the Sailor's information and to ascertain the Sailors career intentions. The first C-Way review gate occurs from 16 to 13 months from SEAOS/EAOS with career choice options of in-rate, conversion, and Selected Reserve. The second review gate occurs from 12 to 9 months from SEAOS/EAOS with career choice options of conversion and Selected Reserve. From 8 months to 4 months to SEAOS/EAOS the Sailor can only choose Selected Reserve affiliation.
- Monthly reenlistment quotas are limited and must be reserved for our best and brightest Sailors who desire to Stay Navy. Sailors must choose one of the following based on their desires and qualifications:
  - Reenlist-in-Rate,
  - Reenlist-in-rate, Willing to Convert
  - Convert only
  - SELRES option
  - Intend to separate
  - Not eligible

In February 2014, C-Way delivered auto-approval capabilities to provide reenlistment decisions on SEAOS/EAOS applications more quickly for eligible ratings. This changed the monthly processing of reenlistment applications as described below.

- If you are in an "open" rating or a "balanced" rating in an undermanned year group or an E-6, you are eligible for reenlistment, and your application is submitted with correct data it will be auto-approved and returned immediately, and you can reenlist.
- If you are in a "competitive" rating or a balanced rating but not an undermanned year group, then your application will be processed through the monthly Rack and Stack process. Applications submitted in one month are processed in Rack and Stack the following month.
- For Nuclear ratings, all applications are reviewed by enlisted community managers on an ongoing basis throughout the processing month.
- If required data is missing (evaluations, Physical Fitness Assessment (PFA) data, security clearance etc.) the application will be denied with a note to your career counselor regarding what needs to be fixed. It is critical the Command Career Counselor reviews these notes to ensure Sailor's are not disadvantaged in their opportunities for retention.
- Upon completion of the monthly process, Career Waypoints results will be available to command users via the Monthly report section of the Career Waypoints system.
- Additional guidance MILPERSMAN 1160-140, NAVADMIN 231/17, and your Career Counselor

**Courses with Recommended Reserve Points:**

Commander Navy Reserve Forces (CNRF) N7 determines the number of reserve points awarded for completion of a course taken on Navy E-Learning. This listing should only be used as a guide and is subject to change by direction of CNRF N7.

Navy E-Learning has no control over how many, if any, reserve points are eventually awarded for the completion of a course. All questions concerning the award of reserve points should be directed to CNRF N7.

**E6 RECOMMENDED RESERVE PME:**

Course Title	Course Location	CIN/CSE ID	Course Length	Date Completed
NROWS Orders Administration Course	E-Learning/MNP	R-500-0140/02PG /DoN	8 hours

## NAVY PROFESSIONAL READING PROGRAM (PRP)

The purpose of the Chief of Naval Operations Professional Reading Program (CNO PRP), maintained by CNO PRP program managers at the U.S. Naval War College, is to facilitate the professional and personal development of all Sailors. For additional information on the CNO PRP visit <http://navyreading.dodlive.mil/>

### ESSENTIAL READING

<b>Navy Power (First 5 offerings)</b> Visit <a href="http://www.navy.mil/ah_online/cno-readingprogram/naavalpower.html">http://www.navy.mil/ah_online/cno-readingprogram/naavalpower.html</a> for complete list.	<b>Completed</b>
Sea Power by Admiral James Stavridis	
Toward a New Maritime Strategy by Peter D. Haynes	
The Rules Of The Game by Andrew Gordon	
Sea Power by Geoffrey Till	
Red Star Over The Pacific by Toshi Yoshihara and James R. Holmes	
<b>Fast Learning (First 5 offerings)</b> Visit <a href="http://www.navy.mil/ah_online/cno-readingprogram/fastlearning.html">http://www.navy.mil/ah_online/cno-readingprogram/fastlearning.html</a> for complete list.	<b>Completed</b>
Democracy by Condoleezza Rice	
A World in Disarray by Richard Haass	
Our Robots, Ourselves by David A. Mindell	
On Writing Well by William Zinsser	
The Innovator's Dilemma by Clayton M. Christensen	
<b>Navy Team (First 5 offerings)</b> Visit <a href="http://www.navy.mil/ah_online/cno-readingprogram/navyteam.html">http://www.navy.mil/ah_online/cno-readingprogram/navyteam.html</a> for complete list.	<b>Completed</b>
The Accidental Admiral by James Stavridis	
Team of Teams by Stanley McChrystal	
Navigating the Seven Seas by Melvin G. Williams, Sr. and Melvin G. Williams, Jr.	
Leadership on the Line by Ronald A. Heifetz and Marty Linsky	
A Vietnam Experience by James Stockdale	
<b>Partnerships (First 5 offerings)</b> Visit <a href="http://www.navy.mil/ah_online/cno-readingprogram/partnernetwork.html">http://www.navy.mil/ah_online/cno-readingprogram/partnernetwork.html</a> for complete list.	<b>Completed</b>
Partnerships for the Americas by James Stavridis	
The Accidental Superpower by Peter Zeihan	
Asia's Cauldron by Robert D. Kaplan	
World Order by Henry Kissinger	
At Ease by Dwight Eisenhower	

Reading, discussing, and understanding the ideas found in the CNO PRP will not only improve our critical thinking skills, but will also help us become better Sailors, citizens, and most importantly, leaders. This list is not intended to limit professional reading or learning in any way, but merely to provide easy access to a few of the many titles that will benefit our service.

The Chief of Naval Operations' tenets and Lines of Effort: Strengthening Naval Power at and from the Sea; Achieving Fast Learning at Every Level; Strengthening Our Navy Team for the Future; and Expanding and Strengthening our Network of Partners. These LOEs have themes common to all Sailors - Integrity, Accountability, Initiative, and Toughness.

The books are organized by the Lines of Effort, but there are several other categories as well. A Design for Maintaining Maritime Superiority is included in addition to a section of books - Fundamentals for the Naval Professional - that contains canonical books about warfighting, diplomacy, and strategy. Many books on both lists are available as e-books through the Navy General Library Program.

The entire list, of over 140 book summaries and additional information is available at <http://navyreading.dodlive.mil/>

Senior Enlisted Academy (SEA)	Newport, RI	P-920-1300	3 weeks 70 hours of PPME on MNP and 3 weeks resident	
GIAC Information Security Fundamentals	Global Information Assurance Certification	GISF		
GIAC Certified Intrusion Analyst	Global Information Assurance Certification	GCIA		
Six Sigma Green Belt (CSSGB)	ASQ			
Integrated Shipboard Network System (ISNS) for 3.0/3.5/4.0 Family of Systems.	Norfolk VA, San Diego CA,	W-150-0101 / W-150-0800 / W-150-0900	33 days	
Automated Digital Network System (ADNS) Family of Systems variants F and/or H	Various	A-101-1122 / A-101-1125	12 days	
End to End (Prerequisite is ADNS/ISNS/ISSM)	Norfolk VA Pearl Harbor HI San Diego CA Yokosuka, Japan Mayport, FL Everett, WA	A-150-1116	5 days	
Digital Wideband Transmission System (DWTS) Operator	Norfolk, VA / San Diego, CA	A-260-0360	4 days	
Digital Modular Radio(DMR)	Norfolk, VA / San Diego CA	A-260-1955	4 days	
High Frequency Radio Group (HFRG)	San Diego, CA	A-260-0051	10 days	
Electronic Key Management System Manager	Naples, IT Dam Neck, VA Mayport, FL Groton CT, Kings Bay, GA San Diego, CA Pearl Harbor, HI Kings Bay, GA Yokosuka, Japan Bangor, WA	V-4C-0013	23 days	
Secret Compartmental Information (SCI) Network System Administrator	San Diego CA	W-3B-1112	5 days	
Secret Compartmental Information (SCI) Network Operator	Norfolk, VA/ San Diego CA,	W-3B-1111	12 days	
Commercial Broadband Satellite Program (CBSP) Unit Level/ Force Level or Small Ship variant operator.	Norfolk, VA / San Diego, CA	A-260-0163 / A-260-0165	12 days	
Information and Communication Manager (ICMC)	Norfolk VA, San Diego CA	A-202-0041	19 days	

## NAVY ENLISTED CLASSIFICATION CODE (NEC) OPPORTUNITIES

Course Title	Course Location	CIN/CSE/ACE ID	Course Length	Date Completed
2710, 2765, 2766 - Global Command Control System Maritime (GCCS-M) System Administrator for 4.X/ 4.0.3/ 4.1 Family of Systems	Dam Neck, VA / San Diego, CA	A-150-0045 / A-150-3400 / A-150-3500	26 days	
746A - System Administrator	Virginia Beach, VA / Groton, CT / Pensacola, FL / San Diego, CA	A-150-1980	18 weeks 90 Instructional Days	
H03A - Tactical Support Center (TSCOMM) Operator Course	Jacksonville, FL	J-201-0816	22 days	
742A - Network Security Vulnerability Technician (NSVT)	Dam Neck, VAGroton, CT San Diego, CA Kings Bay, GA Yokosuka, Japan Bangor, WA Pearl Harbor, HI	A-531-0022	8 weeks 40 Instructional Days	
740A - Mission Distribution System Operator	Dam Neck, VA	J-243-2952	19 days	
H00A - Enlisted Frequency Manager	Keesler AFB, MS	A-202-0039	96 days	
H01A - Joint Task Force Spectrum	Keesler AFB, MS	A-202-0008	16 days	
H08A - Advanced Network Analyst	Various	A-531-0045	11 weeks 54 Instructional Days	
H04A - Journeyman Communication Course	Pensacola, FL San Diego, CA Norfolk, VA	A-260-0061	96 days	
741A - Information Systems Security Manager (ISSM)	Groton CT, Bangor, WA Kings Bay GA, Dam Neck, VA Yokosuka, Japan San Diego CA Pearl Harbor, HI	A531-0009	2 weeks 10 Instructional Days	
9613 - Special Operation Radio Operator	Fort Bragg, NC	S-101-0001	159 days	
805A - Navy Instructor Training Course (NITC)	Various Locations	A-012-0077	19 days	

## JOB DESCRIPTION

The IT Technician is comprised of personnel who perform core and specialty functions of Network Administration, Communications Operations and Message Processing.

In the area of **Network Administration**, IT Technicians provide technical assistance to computer system users. They answer questions and/or resolve computer problems for clients. IT Technicians provide assistance concerning the use of computer hardware and software, including printing, installation, word-processing, electronic mail, and operating systems. They conduct help desk functions and repair fiber optics and a variety of cables. Additionally, IT Technicians conduct day-to-day operations such as system backups and restores, and add, modify, or delete user accounts. They install operating systems, applications and peripherals, troubleshoot user problems, debug command language scripts, and assist the Information Systems Security Officer (ISSO) in access control security (i.e., passwords, access and control lists, etc).

They may also perform advanced Network operations, administration, maintenance and training. IT Technicians analyze, design, test, and evaluate network systems, Internet, Intranet, and other data communications systems. They perform network modeling, analysis, and planning. They research and recommend network and data communications hardware and software solutions. IT Technicians may also perform Network Enterprise Architecture | Cyber Security. They defend Navy networks from cyber threats utilizing hardware/software defense in depth methodology to prevent cyber-attacks.

In the area of **Communications Operations**, IT Technicians establish, monitor, and maintain radio frequency (RF) communications systems both ashore and afloat. Specifically, they plan, coordinate establishment, monitor, troubleshoot, and restore classified and unclassified RF communication systems that support exchange of voice, data, video and imagery using terrestrial or satellite VLF, LF, MF, HF, VHF, UHF, SHF and EHF frequency spectrums afloat and ashore. Additionally, specialists in this area may perform spectrum management - coordinate and generate frequency assignments for use within an area of responsibility, assess the impact of new frequency requirements upon the existing radio frequency environment, maintain a history of interference incidents and frequency employment files, initiate action as appropriate to prevent and/or correct harmful interference, and resolve joint and space interference.

In the area of **Message Processing**, IT Technicians provide message handling, storage, and retrieval of incoming and outgoing messages afloat and ashore. They maintain connectivity between shipboard LAN and message delivery systems ashore. They administer user profiles, and maintain directory information trees. IT Technicians operate NAVMACS and other automated message processing systems.

---

**RECOMMENDED BILLET ASSIGNMENTS**

The Information System Technician of the 21st century operate and maintain the Navy's global satellite telecommunications systems, local and wide area networks, and micro-computer systems used in the fleet. Advanced global C4I support is provided it units ashore and sea.

**PRIORITY ASSIGNMENT:** Sea (diverse platform) Afloat Staff, Special Warfare, Navy Expeditionary Warfare

**BILLET ASSIGNMENT SEA:** Communication Center LCPO, Automated Information System LCPO, IAM, EKMS Manager, Information Assurance LCPO, Spectrum Management, EKMS Inspector

**SUBSEQUENT ASSIGNMENT:** In CONUS Shore Tour (NCTAMS, NCTS, NMCI, Tactical Support Center, NIOC, Afloat Training Group, Center for Information Dominance)

**BILLET ASSIGNMENT ASHORE:** Communication Center LCPO, Automated Information System LCPO, Fleet Network Operation Center LCPO, Instructor, EKMS Manager, Information Assurance LCPO, Spectrum Management

**ALTERNATE ASSIGNMENT:** Overseas Shore (Communications Station, NIOC, STAFF, JOINT, Special Warfare), Navy Expeditionary Warfare

**BILLET ASSIGNMENT ASHORE:** Communication Center LCPO, Automated Information System LCPO, Fleet Network Operation Center LCPO, Instructor duty, EKMS Manager, Information Assurance LCPO, Spectrum Management, EKMS Inspector Other Opportunities: Joint Assignments Communications Special Programs (GSA) Global Support Assignments

**PERSONAL AND PROFESSIONAL DEVELOPMENT (Completed at reporting 60 day Career Development Board)**

## SELECTION BOARD CHECKLIST FOR CPO PROMOTION TO SCPO

Step 1 - Review your Official Record to see what documentation, qualifications, etc. may be missing or requiring an update. This should be accomplished every six months after promotion to Second Class. However, it is imperative that this is accomplished six months prior to a selection board. Check the following three major sections to verify your Official Record:

- a. **BUPERS Online:** BUPERS Online (<https://www.bol.navy.mil>) is your main tool to ensure your record is up to date and helps you to be proactive in making the most of your promotion opportunity. You should review your:
  1. **Official Military Personnel File (OMPF):** All active duty and reserve personnel having a BOL account, a CAC (with appropriate certificates) and a CAC-enabled computer can now view their OMPF online by selecting the OMPF option on the BOL main menu page. This is the preferred method of obtaining OMPF information to eliminate the unnecessary time-lags caused by waiting days or weeks to receive a requested CD ROM.
  2. **If Deployed:** Click on "*Request Record on CD*" to order your Official Military Personnel File (OMPF). This must be accomplished four to six months before a board convenes, which will allow time for delivery and updating of your record if required.
  3. Check your **Performance Summary Record (PSR)** and **Enlisted Summary Record (ESR)** on <https://www.bol.navy.mil>, click on the "*ODC, OSR, PSR, ESR*" link.
- b. **Electronic Service Record (ESR) Self-Service ESR:** This can be viewed at (<https://nsips.nmci.navy.mil>) or on the Navy Standard Integrated Personnel System (NSIPS) ESR server onboard ship.
- c. **Electronic Training Jacket (ETJ):** Log-on to My Navy Portal (MNP) and review your entire ETJ making sure that each section is correct. If not, clicking on "*Data Problems*" at the bottom of each page which will guide you on how to make corrections or updates.
- d. **US Navy Awards website:** Log onto (<https://awards.navy.mil/>) to review any awards you may qualify for but were unaware of.

Step 2 - Submit appropriate missing documents to the selection board.

- a. Selection board packages provide candidates the opportunity to submit any documents missing from the sections of their records which are viewed by the selection boards. MILPERSMAN 1070-080 specifies which documents from the enlisted permanent personnel record are provided to the selection board for review. Any documents the member has verified as missing from those sections of their permanent personnel record may be submitted as a selection board package.
- b. For submissions directly to the board and for those circumstances where the eligible candidate cannot get their official record updated and confirmed prior to the selection board convening date:
  1. All correspondence should be on plain white paper for readability; paper clipped (no staples, binders, folders, or tabs) and submitted under cover letter to the president of the board. Candidates must verify the correct subject line and board number (see below) is on their cover letters to ensure their packages appear before the proper board.
  2. Correspondence must include your Full name and SSN, must be affixed and legible on all documents submitted, and must be postmarked not later than that date listed in the associated NAVADMIN and addressed to:

NAVY PERSONNEL COMMAND CUSTOMER SERVICE CENTER  
PRESIDENT  
FY-XX ACTIVE/RESERVE E8 ENLISTED SELECTION BOARD #XXX  
5640 TICONDEROGA LOOP BLDG 768 RM E302  
MILLINGTON TN 38055  
(Active = 235 / SELRES = 205 / FTS = 206)

(Use of special handling mail (certified or registered) is not advised due to significant delays in handling.)

- c. Ensure official record reflects any individual augmentation mission. (awards, evals, NEC, etc).
- d. Check <http://www.npc.navy.mil/Boards/ActiveDutyEnlisted/GeneralInformation.htm> to verify that the selection board has received your correspondence (if sent).

**NOTE: It is highly recommended that if corrections or updates are made, review your OMPF, or if Deployed, re-order your CD-Rom to confirm changes. (NOTE: Please allow 60 days for changes to take effect)**

Step 3 - After reviewing your service record - such as evaluations, awards, qualifications, etc. - start reviewing what you can do to improve yourself, such as:

- a. Request a **Career Development Board (CDB)** through your chain of command.
- b. Take a good, hard look at the type of **Collateral Duties** you are assigned. Review your command collateral duties instruction and talk with your COC and / or appear before the CDB. Take the tough command duties that provide the most involvement in the command as a whole and that have direct sailor support.
- c. Review your current level of education to see how far along you are in earning a **college degree** and pursue **non-resident Navy courses** to expand your level of knowledge. Complete the **Navy e-Learning courses** on **MNP** that are recommended in this document.
- d. Check out **OTHER Learning Opportunities** to add to your service record, such as the CANTRAC Volume I (Training Facilities) and CANTRAC Volume II (Course Descriptions) at <https://main.prod.cetars.training.navy.mil/cetars/main.html>.

Step 4 - Review qualifications that your rating values or requires for advancement and create a plan to earn these important pieces in the professional growth and advancement puzzle. Read the applicable NAVADMIN for additional dates and information, and review previous selection board precepts.

## QUALIFICATIONS AND CERTIFICATIONS

Sea/Shore General Qualifications Watch Standing Qualifications	Report Date	Completion Date (If qualification is not required place N/A in this Block)
Ship Board Fire Fighting

**Courses with Recommended Reserve Points:**

Commander Navy Reserve Forces (CNRF) N7 determines the number of reserve points awarded for completion of a course taken on Navy E-Learning. This listing should only be used as a guide and is subject to change by direction of CNRF N7.

Navy E-Learning has no control over how many, if any, reserve points are eventually awarded for the completion of a course. All questions concerning the award of reserve points should be directed to CNRF N7.

**CPO RECOMMENDED RESERVE PME:**

Course Title	Course Location	CIN/CSE ID	Course Length	Date Completed

## NAVY PROFESSIONAL READING PROGRAM (PRP)

The purpose of the Chief of Naval Operations Professional Reading Program (CNO PRP), maintained by CNO PRP program managers at the U.S. Naval War College, is to facilitate the professional and personal development of all Sailors. For additional information on the CNO PRP visit <http://navyreading.dodlive.mil/>

### ESSENTIAL READING

<b>Navy Power (First 5 offerings)</b> Visit <a href="http://www.navy.mil/ah_online/cno-readingprogram/naavalpower.html">http://www.navy.mil/ah_online/cno-readingprogram/naavalpower.html</a> for complete list.	<b>Completed</b>
Sea Power by Admiral James Stavridis	
Toward a New Maritime Strategy by Peter D. Haynes	
The Rules Of The Game by Andrew Gordon	
Sea Power by Geoffrey Till	
Red Star Over The Pacific by Toshi Yoshihara and James R. Holmes	
<b>Fast Learning (First 5 offerings)</b> Visit <a href="http://www.navy.mil/ah_online/cno-readingprogram/fastlearning.html">http://www.navy.mil/ah_online/cno-readingprogram/fastlearning.html</a> for complete list.	<b>Completed</b>
Democracy by Condoleezza Rice	
A World in Disarray by Richard Haass	
Our Robots, Ourselves by David A. Mindell	
On Writing Well by William Zinsser	
The Innovator's Dilemma by Clayton M. Christensen	
<b>Navy Team (First 5 offerings)</b> Visit <a href="http://www.navy.mil/ah_online/cno-readingprogram/navyteam.html">http://www.navy.mil/ah_online/cno-readingprogram/navyteam.html</a> for complete list.	<b>Completed</b>
The Accidental Admiral by James Stavridis	
Team of Teams by Stanley McChrystal	
Navigating the Seven Seas by Melvin G. Williams, Sr. and Melvin G. Williams, Jr.	
Leadership on the Line by Ronald A. Heifetz and Marty Linsky	
A Vietnam Experience by James Stockdale	
<b>Partnerships (First 5 offerings)</b> Visit <a href="http://www.navy.mil/ah_online/cno-readingprogram/partnernetwork.html">http://www.navy.mil/ah_online/cno-readingprogram/partnernetwork.html</a> for complete list.	<b>Completed</b>
Partnerships for the Americas by James Stavridis	
The Accidental Superpower by Peter Zeihan	
Asia's Cauldron by Robert D. Kaplan	
World Order by Henry Kissinger	
At Ease by Dwight Eisenhower	

Reading, discussing, and understanding the ideas found in the CNO PRP will not only improve our critical thinking skills, but will also help us become better Sailors, citizens, and most importantly, leaders. This list is not intended to limit professional reading or learning in any way, but merely to provide easy access to a few of the many titles that will benefit our service.

The Chief of Naval Operations' tenets and Lines of Effort: Strengthening Naval Power at and from the Sea; Achieving Fast Learning at Every Level; Strengthening Our Navy Team for the Future; and Expanding and Strengthening our Network of Partners. These LOEs have themes common to all Sailors - Integrity, Accountability, Initiative, and Toughness.

The books are organized by the Lines of Effort, but there are several other categories as well. A Design for Maintaining Maritime Superiority is included in addition to a section of books - Fundamentals for the Naval Professional - that contains canonical books about warfighting, diplomacy, and strategy. Many books on both lists are available as e-books through the Navy General Library Program.

The entire list, of over 140 book summaries and additional information is available at <http://navyreading.dodlive.mil/>

### JOB DESCRIPTION

The IT Technician is comprised of personnel who perform core and specialty functions of Network Administration, Communications Operations and Message Processing.

In the area of **Network Administration**, IT Technicians provide technical assistance to computer system users. They answer questions and/or resolve computer problems for clients. IT Technicians provide assistance concerning the use of computer hardware and software, including printing, installation, word-processing, electronic mail, and operating systems. They conduct help desk functions and repair fiber optics and a variety of cables. Additionally, IT Technicians conduct day-to-day operations such as system backups and restores, and add, modify, or delete user accounts. They install operating systems, applications and peripherals, troubleshoot user problems, debug command language scripts, and assist the Information Systems Security Officer (ISSO) in access control security (i.e., passwords, access and control lists, etc).

They may also perform advanced Network operations, administration, maintenance and training. IT Technicians analyze, design, test, and evaluate network systems, Internet, Intranet, and other data communications systems. They perform network modeling, analysis, and planning. They research and recommend network and data communications hardware and software solutions. IT Technicians may also perform Network Enterprise Architecture | Cyber Security. They defend Navy networks from cyber threats utilizing hardware/software defense in depth methodology to prevent cyber-attacks.

In the area of **Communications Operations**, IT Technicians establish, monitor, and maintain radio frequency (RF) communications systems both ashore and afloat. Specifically, they plan, coordinate establishment, monitor, troubleshoot, and restore classified and unclassified RF communication systems that support exchange of voice, data, video and imagery using terrestrial or satellite VLF, LF, MF, HF, VHF, UHF, SHF and EHF frequency spectrums afloat and ashore. Additionally, specialists in this area may perform spectrum management - coordinate and generate frequency assignments for use within an area of responsibility, assess the impact of new frequency requirements upon the existing radio frequency environment, maintain a history of interference incidents and frequency employment files, initiate action as appropriate to prevent and/or correct harmful interference, and resolve joint and space interference.

In the area of **Message Processing**, IT Technicians provide message handling, storage, and retrieval of incoming and outgoing messages afloat and ashore. They maintain connectivity between shipboard LAN and message delivery systems ashore. They administer user profiles, and maintain directory information trees. IT Technicians operate the Message Systems, NAVMACS, and other automated message processing systems.

---

**RECOMMENDED BILLET ASSIGNMENTS**

The Information System Technician of the 21st century operate and maintain the Navy's global satellite telecommunications systems, local and wide area networks, and micro-computer systems used in the fleet. Advanced global C4I support is provided it units ashore and sea.

**PRIORITY ASSIGNMENT:** Sea (large deck platform) Afloat Staff, Special Warfare, Navy Expeditionary Warfare

**BILLET ASSIGNMENT SEA:** Department LCPO, IAM, EKMS Manager, Spectrum Management, EKMS Inspector

**SUBSEQUENT ASSIGNMENT:** In CONUS Shore Tour (Communications Station, Tactical Support Center, NIOC, Afloat Training Group, Center for Information Dominance)

**BILLET ASSIGNMENT ASHORE:** Department LCPO, EKMS Manager, EKMS Inspector, Spectrum Management

**ALTERNATE ASSIGNMENT:** Overseas Shore (Communications Station, NIOC, STAFF, JOINT, Special Warfare), Navy Expeditionary Warfare

**BILLET ASSIGNMENT ASHORE:** Department LCPO, EKMS Manager, Spectrum Management Other Opportunities: Joint Assignments  
Special Programs (GSA) Global Support Assignments

## SELECTION BOARD CHECKLIST FOR SCPO PROMOTION TO MCPO

Step 1 - Review your Official Record to see what documentation, qualifications, etc. may be missing or requiring an update. This should be accomplished every six months after promotion to Second Class. However, it is imperative that this is accomplished six months prior to a selection board. Check the following three major sections to verify your Official Record:

- a. **BUPERS Online:** BUPERS Online (<https://www.bol.navy.mil>) is your main tool to ensure your record is up to date and helps you to be proactive in making the most of your promotion opportunity. You should review your:
  1. **Official Military Personnel File (OMPF):** All active duty and reserve personnel having a BOL account, a CAC (with appropriate certificates) and a CAC-enabled computer can now view their OMPF online by selecting the OMPF option on the BOL main menu page. This is the preferred method of obtaining OMPF information to eliminate the unnecessary time-lags caused by waiting days or weeks to receive a requested CD ROM.
  2. **If Deployed:** Click on "*Request Record on CD*" to order your Official Military Personnel File (OMPF). This must be accomplished four to six months before a board convenes, which will allow time for delivery and updating of your record if required.
  3. Check your **Performance Summary Record (PSR)** and **Enlisted Summary Record (ESR)** on <https://www.bol.navy.mil>, click on the "*ODC, OSR, PSR, ESR*" link.
- b. **Electronic Service Record (ESR) Self-Service ESR:** This can be viewed at (<https://nsips.nmci.navy.mil>) or on the Navy Standard Integrated Personnel System (NSIPS) ESR server onboard ship.
- c. **Electronic Training Jacket (ETJ):** Log-on to My Navy Portal (MNP) and review your entire ETJ making sure that each section is correct. If not, clicking on "*Data Problems*" at the bottom of each page which will guide you on how to make corrections or updates.
- d. **US Navy Awards website:** Log onto (<https://awards.navy.mil/>) to review any awards you may qualify for but were unaware of.

Step 2 - Submit appropriate missing documents to the selection board.

- a. Selection board packages provide candidates the opportunity to submit any documents missing from the sections of their records which are viewed by the selection boards. MILPERSMAN 1070-080 specifies which documents from the enlisted permanent personnel record are provided to the selection board for review. Any documents the member has verified as missing from those sections of their permanent personnel record may be submitted as a selection board package.
- b. For submissions directly to the board and for those circumstances where the eligible candidate cannot get their official record updated and confirmed prior to the selection board convening date:
  1. All correspondence should be on plain white paper for readability; paper clipped (no staples, binders, folders, or tabs) and submitted under cover letter to the president of the board. Candidates must verify the correct subject line and board number (see below) is on their cover letters to ensure their packages appear before the proper board.
  2. Correspondence must include your Full name and SSN, must be affixed and legible on all documents submitted, and must be postmarked not later than that date listed in the associated NAVADMIN and addressed to:

NAVY PERSONNEL COMMAND CUSTOMER SERVICE CENTER  
PRESIDENT  
FY-XX ACTIVE/RESERVE E9 ENLISTED SELECTION BOARD #XXX  
5640 TICONDEROGA LOOP BLDG 768 RM E302  
MILLINGTON TN 38055  
(Active = 210 / SELRES = 205 / FTS = 206)

(Use of special handling mail (certified or registered) is not advised due to significant delays in handling.)

- c. Ensure official record reflects any individual augmentation mission. (awards, evals, NEC, etc).
- d. Check <http://www.npc.navy.mil/Boards/ActiveDutyEnlisted/GeneralInformation.htm> to verify that the selection board has received your correspondence (if sent).

**NOTE: It is highly recommended that if corrections or updates are made, review your OMPF, or if Deployed, re-order your CD-Rom to confirm changes. (NOTE: Please allow 60 days for changes to take effect)**

Step 3 - After reviewing your service record - such as evaluations, awards, qualifications, etc. - start reviewing what you can do to improve yourself, such as:

- a. Request a **Career Development Board (CDB)** through your chain of command.
- b. Take a good, hard look at the type of **Collateral Duties** you are assigned. Review your command collateral duties instruction and talk with your COC and / or appear before the CDB. Take the tough command duties that provide the most involvement in the command as a whole and that have direct sailor support.
- c. Review your current level of education to see how far along you are in earning a **college degree** and pursue **non-resident Navy courses** to expand your level of knowledge. Complete the **Navy e-Learning courses** on **MNP** that are recommended in this document.
- d. Check out **OTHER Learning Opportunities** to add to your service record, such as the CANTRAC Volume I (Training Facilities) and CANTRAC Volume II (Course Descriptions) at <https://main.prod.cetars.training.navy.mil/cetars/main.html>.

Step 4 - Review qualifications that your rating values or requires for advancement and create a plan to earn these important pieces in the professional growth and advancement puzzle. Read the applicable NAVADMIN for additional dates and information, and review previous selection board precepts.

## QUALIFICATIONS AND CERTIFICATIONS

Sea/Shore General Qualifications Watch Standing Qualifications	Report Date	Completion Date (If qualification is not required place N/A in this Block)

<sup>1</sup> - Verify GMT topics on MNP GMT web page.

**Courses with Recommended Reserve Points:**

Commander Navy Reserve Forces (CNRF) N7 determines the number of reserve points awarded for completion of a course taken on Navy E-Learning. This listing should only be used as a guide and is subject to change by direction of CNRF N7.

Navy E-Learning has no control over how many, if any, reserve points are eventually awarded for the completion of a course. All questions concerning the award of reserve points should be directed to CNRF N7.

**SCPO RECOMMENDED RESERVE PME:**

Course Title	Course Location	CIN/CSE ID	Course Length	Date Completed

## NAVY PROFESSIONAL READING PROGRAM (PRP)

The purpose of the Chief of Naval Operations Professional Reading Program (CNO PRP), maintained by CNO PRP program managers at the U.S. Naval War College, is to facilitate the professional and personal development of all Sailors. For additional information on the CNO PRP visit <http://navyreading.dodlive.mil/>

### ESSENTIAL READING

<b>Navy Power (First 5 offerings)</b> Visit <a href="http://www.navy.mil/ah_online/cno-readingprogram/naavalpower.html">http://www.navy.mil/ah_online/cno-readingprogram/naavalpower.html</a> for complete list.	<b>Completed</b>
Sea Power by Admiral James Stavridis	
Toward a New Maritime Strategy by Peter D. Haynes	
The Rules Of The Game by Andrew Gordon	
Sea Power by Geoffrey Till	
Red Star Over The Pacific by Toshi Yoshihara and James R. Holmes	
<b>Fast Learning (First 5 offerings)</b> Visit <a href="http://www.navy.mil/ah_online/cno-readingprogram/fastlearning.html">http://www.navy.mil/ah_online/cno-readingprogram/fastlearning.html</a> for complete list.	<b>Completed</b>
Democracy by Condoleezza Rice	
A World in Disarray by Richard Haass	
Our Robots, Ourselves by David A. Mindell	
On Writing Well by William Zinsser	
The Innovator's Dilemma by Clayton M. Christensen	
<b>Navy Team (First 5 offerings)</b> Visit <a href="http://www.navy.mil/ah_online/cno-readingprogram/navyteam.html">http://www.navy.mil/ah_online/cno-readingprogram/navyteam.html</a> for complete list.	<b>Completed</b>
The Accidental Admiral by James Stavridis	
Team of Teams by Stanley McChrystal	
Navigating the Seven Seas by Melvin G. Williams, Sr. and Melvin G. Williams, Jr.	
Leadership on the Line by Ronald A. Heifetz and Marty Linsky	
A Vietnam Experience by James Stockdale	
<b>Partnerships (First 5 offerings)</b> Visit <a href="http://www.navy.mil/ah_online/cno-readingprogram/partnernetwork.html">http://www.navy.mil/ah_online/cno-readingprogram/partnernetwork.html</a> for complete list.	<b>Completed</b>
Partnerships for the Americas by James Stavridis	
The Accidental Superpower by Peter Zeihan	
Asia's Cauldron by Robert D. Kaplan	
World Order by Henry Kissinger	
At Ease by Dwight Eisenhower	

Reading, discussing, and understanding the ideas found in the CNO PRP will not only improve our critical thinking skills, but will also help us become better Sailors, citizens, and most importantly, leaders. This list is not intended to limit professional reading or learning in any way, but merely to provide easy access to a few of the many titles that will benefit our service.

The Chief of Naval Operations' tenets and Lines of Effort: Strengthening Naval Power at and from the Sea; Achieving Fast Learning at Every Level; Strengthening Our Navy Team for the Future; and Expanding and Strengthening our Network of Partners. These LOEs have themes common to all Sailors - Integrity, Accountability, Initiative, and Toughness.

The books are organized by the Lines of Effort, but there are several other categories as well. A Design for Maintaining Maritime Superiority is included in addition to a section of books - Fundamentals for the Naval Professional - that contains canonical books about warfighting, diplomacy, and strategy. Many books on both lists are available as e-books through the Navy General Library Program.

The entire list, of over 140 book summaries and additional information is available at <http://navyreading.dodlive.mil/>

## JOB DESCRIPTION

The IT Technician is comprised of personnel who perform core and specialty functions of Network Administration, Communications Operations and Message Processing.

In the area of **Network Administration**, IT Technicians provide technical assistance to computer system users. They answer questions and/or resolve computer problems for clients. IT Technicians provide assistance concerning the use of computer hardware and software, including printing, installation, word-processing, electronic mail, and operating systems. They conduct help desk functions and repair fiber optics and a variety of cables. Additionally, IT Technicians conduct day-to-day operations such as system backups and restores, and add, modify, or delete user accounts. They install operating systems, applications and peripherals, troubleshoot user problems, debug command language scripts, and assist the Information Systems Security Officer (ISSO) in access control security (i.e., passwords, access and control lists, etc).

They may also perform advanced Network operations, administration, maintenance and training. IT Technicians analyze, design, test, and evaluate network systems, Internet, Intranet, and other data communications systems. They perform network modeling, analysis, and planning. They research and recommend network and data communications hardware and software solutions. IT Technicians may also perform Network Enterprise Architecture Cyber Security. They defend Navy networks from cyber threats utilizing hardware/software defense in depth methodology to prevent cyber-attacks.

In the area of **Communications Operations**, IT Technicians establish, monitor, and maintain radio frequency (RF) communications systems both ashore and afloat. Specifically, they plan, coordinate establishment, monitor, troubleshoot, and restore classified and unclassified RF communication systems that support exchange of voice, data, video and imagery using terrestrial or satellite VLF, LF, MF, HF, VHF, UHF, SHF and EHF frequency spectrums afloat and ashore. Additionally, specialists in this area may perform spectrum management - coordinate and generate frequency assignments for use within an area of responsibility, assess the impact of new frequency requirements upon the existing radio frequency environment, maintain a history of interference incidents and frequency employment files, initiate action as appropriate to prevent and/or correct harmful interference, and resolve joint and space interference.

In the area of **Message Processing**, IT Technicians provide message handling, storage, and retrieval of incoming and outgoing messages afloat and ashore. They maintain connectivity between shipboard LAN and message delivery systems ashore. They administer user profiles, and maintain directory information trees. IT Technicians operate the Message Systems, NAVMACS, and other automated message processing systems.

---

## RECOMMENDED BILLET ASSIGNMENTS

The Information System Technician of the 21st century operate and maintain the Navy's global satellite telecommunications systems, local and wide area networks, and micro-computer systems used in the fleet. Advanced global C4I support is provided it units ashore and sea.

Other Opportunities:

- Joint Assignments

- Global Support Assignments

- Special Assignments

## QUALIFICATIONS AND CERTIFICATIONS

Sea/Shore General Qualifications Watch Standing Qualifications	Report Date	Completion Date (If qualification is not required place N/A in this Block)
Ship Board Fire Fighting		
Aviation Fire Fighting		
Basic Damage Control		
Advanced Damage Control		
3M 303 Work Center Supervisor		
3M 304 LCPO/Division Officer		
Section Leader		
Officer of the Deck (OOD) (In Port)		
Command Duty Officer (CDO)		
Junior Officer of the Deck (JOOD)		
Officer of the Deck (OOD) (At Sea)		
Personal Qualifications Standard		

Mandatory warfare qualification for enlisted Sailors assigned to designated warfare qualifying commands:

Warfare qualification programs	Report Date	Completion Date (If qualification is not required place N/A in this Block)
Aviation Warfare Specialist		
Expeditionary Warfare Specialist		
Fleet Marine Force Warfare Specialist		
Information Warfare Specialist		
Seabee Combat Warfare Specialist		
Surface Warfare Specialist		

Rate Specific/Department Qualifications (Add)	Report Date	Completion Date (If qualification is not required place N/A in this Block)

## CERTIFICATIONS

The following post military occupations are similar to the IT-Information Systems Technician Rating. For more information about these occupations, visit NAVY COOL at <https://www.cool.navy.mil/usn/>.

Occupation (Civilian Employer)
Broadcast Technicians
Computer and Information Systems Managers
Computer Network Architects
Computer Network Support Specialists
Computer Operators
Computer Programmers
Computer Systems Analysts
Computer User Support Specialists
Computer, Automated Teller, and Office Machine Repairers
Database Administrators
Electronics Engineering Technicians
Information Security Analysts
Information Technology Project Managers
Inspectors, Testers, Sorters, Samplers, and Weighers
Network and Computer Systems Administrators
Radio Operators
Radio, Cellular, and Tower Equipment Installers and Repairers
Telecommunications Engineering Specialists
Telecommunications Equipment Installers and Repairers, Except Line Installers
Occupation (Federal Employer)
0132 - Intelligence Series
0335 - Computer Clerk and Assistant Series
0394 - Communications Clerical Series
2210 - Information Technology Management Series
2608 - Electronic Digital Computer Mechanic
9944 - Electronics Technician

**Navy COOL:** The following certifications and licenses are applicable to the IT-Information Systems Technician rating. *They may require additional education, training or experience.*

Energy Policy	Navy eLearning	OPNAV-GMTE-1.0		

<sup>1</sup> - Verify GMT topics on MNP GMT web page.

**Courses with Recommended Reserve Points:**

Commander Navy Reserve Forces (CNRF) N7 determines the number of reserve points awarded for completion of a course taken on Navy E-Learning. This listing should only be used as a guide and is subject to change by direction of CNRF N7.

Navy E-Learning has no control over how many, if any, reserve points are eventually awarded for the completion of a course. All questions concerning the award of reserve points should be directed to CNRF N7.

**MCPO RECOMMENDED RESERVE PME:**

Course Title	Course Location	CIN/CSE ID	Course Length	Date Completed
NROWS Orders Administration Course	E-Learning/MNP	R-500-0140/02PG /DoN	8 hours	
Naval Reserve Center Commanding Officer Officer In Charge	E-Learning/MNP	CNRFC-COOIC-1.0 /DoN	8 hours	
Guidance for Mobilization	E-Learning/MNP	CNRFC-GMB-1.1 /DoN	4 hours	
Military Sealift Command 101	E-Learning/MNP	CNRFC-MS101 /DoN 1.1	24 hours	
Non-Prior Service Accession Program	E-Learning/MNP	CNRFC-NPSAP-2 /DoN 0	23 hours

## NAVY PROFESSIONAL READING PROGRAM (PRP)

The purpose of the Chief of Naval Operations Professional Reading Program (CNO PRP), maintained by CNO PRP program managers at the U.S. Naval War College, is to facilitate the professional and personal development of all Sailors. For additional information on the CNO PRP visit <http://navyreading.dodlive.mil/>

### ESSENTIAL READING

<b>Navy Power (First 5 offerings)</b> Visit <a href="http://www.navy.mil/ah_online/cno-readingprogram/navalpower.html">http://www.navy.mil/ah_online/cno-readingprogram/navalpower.html</a> for complete list.	<b>Completed</b>
Sea Power by Admiral James Stavridis	
Toward a New Maritime Strategy by Peter D. Haynes	
The Rules Of The Game by Andrew Gordon	
Sea Power by Geoffrey Till	
Red Star Over The Pacific by Toshi Yoshihara and James R. Holmes	
<b>Fast Learning (First 5 offerings)</b> Visit <a href="http://www.navy.mil/ah_online/cno-readingprogram/fastlearning.html">http://www.navy.mil/ah_online/cno-readingprogram/fastlearning.html</a> for complete list.	<b>Completed</b>
Democracy by Condoleezza Rice	
A World in Disarray by Richard Haass	
Our Robots, Ourselves by David A. Mindell	
On Writing Well by William Zinsser	
The Innovator's Dilemma by Clayton M. Christensen	
<b>Navy Team (First 5 offerings)</b> Visit <a href="http://www.navy.mil/ah_online/cno-readingprogram/navyteam.html">http://www.navy.mil/ah_online/cno-readingprogram/navyteam.html</a> for complete list.	<b>Completed</b>
The Accidental Admiral by James Stavridis	
Team of Teams by Stanley McChrystal	
Navigating the Seven Seas by Melvin G. Williams, Sr. and Melvin G. Williams, Jr.	
Leadership on the Line by Ronald A. Heifetz and Marty Linsky	
A Vietnam Experience by James Stockdale	
<b>Partnerships (First 5 offerings)</b> Visit <a href="http://www.navy.mil/ah_online/cno-readingprogram/partnernetwork.html">http://www.navy.mil/ah_online/cno-readingprogram/partnernetwork.html</a> for complete list.	<b>Completed</b>
Partnerships for the Americas by James Stavridis	
The Accidental Superpower by Peter Zeihan	
Asia's Cauldron by Robert D. Kaplan	
World Order by Henry Kissinger	
At Ease by Dwight Eisenhower	

Reading, discussing, and understanding the ideas found in the CNO PRP will not only improve our critical thinking skills, but will also help us become better Sailors, citizens, and most importantly, leaders. This list is not intended to limit professional reading or learning in any way, but merely to provide easy access to a few of the many titles that will benefit our service.

The Chief of Naval Operations' tenets and Lines of Effort: Strengthening Naval Power at and from the Sea; Achieving Fast Learning at Every Level; Strengthening Our Navy Team for the Future; and Expanding and Strengthening our Network of Partners. These LOEs have themes common to all Sailors - Integrity, Accountability, Initiative, and Toughness.

The books are organized by the Lines of Effort, but there are several other categories as well. A Design for Maintaining Maritime Superiority is included in addition to a section of books - Fundamentals for the Naval Professional - that contains canonical books about warfighting, diplomacy, and strategy. Many books on both lists are available as e-books through the Navy General Library Program.

The entire list, of over 140 book summaries and additional information is available at <http://navyreading.dodlive.mil/>

## **ALL PAYGRADES VOLUNTARY EDUCATION**

**Note: Prior to considering any pursuit of off duty education or program enrollment visit your Navy College Office or call the Virtual Education Center (VEC).**

**You must complete the Tuition Assistance Workshop before your first course will be approved.**

**E1- E6: The workshop is available at your Navy College Office  
E-7 and above: The Workshop is available at your Navy College Office  
or  
Complete the online course at the Navy College Website**

### **How do I get started?**

You already have. All your training up to this point is part of your Information Systems Technician Roadmap. Now that you have made the first steps you will need to sit down and formulate a plan. This plan will work best if you start out discussing your options with your Leading Chief Petty Officer, Leading Petty Officer, Mentor, or Career Counselor. They will help you understand all of the basics. Then your next stop is your Navy College Office. The counselors there will be able to help you formalize your plan and make sure that it makes sense for both you and the Navy. To aid you in your conversation with these professionals, here are a few questions that you may want to ask.

What credits do you have? What non-college courses have you taken? Where do you want to go? What field of study, or what kind of degree? What program will help me get there, Traditional or Online, What are my next steps: Transfer credits, Take exams, Have experience evaluated, Then lastly sign up for new courses?

### **RECOMMENDED OCCUPATIONAL-RELATED ASSOCIATE'S DEGREE FOR IT**

<b>Recommended Associates' degrees for the Seaman</b>

## **GENERAL INFORMATION ON VOLUNTARY EDUCATION**

### **The Navy College Program & Web Page:**

The Navy College Program (NCP) provides opportunities to Sailors to earn college degrees by providing academic credit for Navy training, work experience, and off-duty education. The NCP mission is to enable Sailors to obtain a college degree while on active duty. In support of the four R's- Recruiting, Readiness, Retention, and Respect, the NCP signifies Navy's commitment to education by improving enlistment appeal, demonstrating Navy service and achieving a college degree are compatible, helping Sailors apply themselves to new situations and challenges and better preparing them for advancement, building up Sailors' self-image, and producing higher quality Sailors. More information is available online at: <https://www.navycollege.navy.mil>

### **Servicemembers Opportunity College Degree Network System (SOC DNS):**

The SOC DNS consists of accredited colleges offering specific associate's and bachelor's degrees (while limiting academic residency) to Sailors, Marines, Soldiers and members of the Coast Guard worldwide. Colleges taking part in each curriculum area guarantee acceptance of one another's courses as identified by SOC DNS Course Category Codes. The "home" college (the SOC DNS college from which the student wishes to graduate) issues an official Student Agreement to all eligible students after the completion of the sixth semester hour and a complete evaluation of the servicemember's prior learning, including courses from other colleges and universities, military training and occupational experience, nationally-recognized tests, and other non-traditional credit. The SOC DNS Student Agreement is a contract-for-degree that protects the eligible student from changes to his or her degree program. It is a comprehensive long-range degree plan that lists all of the course requirements, but does not require that all courses be taken with that college. More information is available online at: <https://www.gosoced.org/>

### **Tuition Assistance (TA):**

TA provides funds for eligible active-duty personnel to attend approved educational institutions on an off-duty basis to earn a high school diploma, vocational/technical certificate, or college degree. TA pays for tuition and fees directly associated with the course of instruction. TA will pay for the following amounts per fiscal year: 16 semester hours, not-to-exceed \$250/credit or 24 quarter hours, not-to-exceed \$166.67/credit or 240 clock hours (CH), not-to-exceed \$16.67/CH or a combination of semester and quarter hours.

### **Joint Service Transcripts (JST)**

JSTs are official military transcripts which are used by colleges to validate your actual credited training. Every Sailor has a transcript already and access to it is free. More information is available online at: <https://jst.doded.mil/>

### **The American Council on Education (ACE)**

ACE has reviewed every course listed in the OCCUPATIONAL Roadmap and determined what type of collegiate level credit is recommended. The ACE identifier, listed with each course, is a source to validate the information and to check for changes as they occur. Updates can be found at <http://www.militaryguides.acenet.edu>.

### **Vocational Certificates**

Vocational Certificates are available from most community colleges. Most of your military training can be counted toward their degree programs, but they will still require residency credits and approximately 40-75 credit hours. These certificates can be as valuable as the apprenticeship program in the civilian work force.

### **College credits by Testing CLEP, DSST**

Testing can replace the requirement to attend most of the college courses listed in the Occupational Roadmap. Base Education Centers offer CLEP and DSST exams for active duty military at no cost. They also offer a comprehensive list of "credit-by-exam" tests. Additionally, many of the tests have study guides available. These tests are available at the base education center or through the base library system. For specific testing locations visit the DANTES website.

DANTES: <http://www.dantes.doded.mil/examinations/earn-college-credit/earn-college-credit.html>

### **College Entrance Exams Testing ACT, SAT**

The ACT and SAT are both standardized tests that help colleges evaluate candidates. Many colleges require that students submit test results as part of the admission application process. Since Sailors are considered transfer students, these tests are not generally required for admission. However, some Sailors must take the tests to enter specific military programs.

Navy College Program (ACT SAT): <http://www.navycollege.navy.mil/information-for-sailors/college-entrance-exams.htm>
